## Our new Tsiyon Truth Point Video: Why the Christian Church in America Cannot Survive Same-Sex Marriage

This new video documents the profound effect that same-sex marriage is having on the Christian Church system in America. We predict that the American Church system will completely collapse under the weight of the full assault that same-sex marriage is bringing in. This is huge. Please watch it and share the <a href="YouTube link">YouTube link</a> with others.

## From Eliyahu

Hello Friends,

It feels good to get back to doing our regular Sabbath EBD Bet Midrash.

We are coming back with a barn-burner called: *Defeating the Enemy!* ..Yes!

In Bamidbar/Numbers 21 we have the children of the Exodus generation, now matured and ready to take on the Canaanites. This chapter includes two epic battles in which Israel is attacked by two different powerful Canaanite nations, each bringing their entire armies against Israel, complete with giants to lead them! Unlike their fathers, who were afraid of the giants and the Canaanite armies, this new generation is eager to engage the enemies in faith that YHWH would give them the victory. In each case Israel prevailed mightily, well beyond merely winning the battle. How they did this is of vital importance to each of us, as we are threatened and attacked by unseen enemies every day.

There is another battle in this chapter where Israel was not doing so well. This was the battle against their own lower nature. Can you relate? This is still the hardest battle we ever face. Yes, if you want to meet your potential worst enemy just look in the mirror. Giants and Canaanites are easy compared to this. How do you win the battle with yourself? This chapter gives us an amazing answer you won't want to miss. Be sure to tune in for *Defeating the Enemy* - playing right now, eight times in all, on *Tsiyon Road*.

Blessings and Shalom,

Eliyahu ben David
