The Scriptures set out the Appointments our Creator has set for us to meet with Him, not the least of which is the Sabbath. Yet, there are so many calendars and viewpoints about how these apply. All these different voices can be very confusing! Its time to cut through all of that calendar confusion to see the simple truth, as always, found in the pages of His infallible Word! Tsiyon Partners can view this live video presentation tonight at 8 CST here: Tsiyon.net.

*"Arise, shine; for your light has come, and the glory of YHWH is risen on you.
For, behold, darkness shall cover the earth, and gross darkness the peoples;
but YHWH will arise on you, and his glory shall be seen on you." Isaiah 60:1, 2*

From Eliyahu

Greetings Friends,

It's great to see people beginning to respond to our www.RemnantExodus.Org website video seminar, then coming along to sign up at www.Tsiyon.Net to see the video *Beasts of Daniel Seminar*, and then to stick around to learn more.

These two seminars lay a powerful foundation of truth, are completely free Online, and are the quickest route to understanding what is really going on in this crazy world we are all living in, and more importantly, to see that there is a Biblical place of safety being prepared for those who will come.

It's great to see the enthusiasm for sharing all of this that many of our Tsiyon Partners are displaying. For example, we provided some business card sized cards offering the free *Remnant Exodus Seminar* Online. You can [Download Remnant Exodus Cards](#) to hand out & invite others.

Now, we are glad to be getting messages like this:

Shalom! Your Remnant cards are beautiful and print well. I have started using them... Every blessing Roy

If we all keep some of these little cards handy, as Roy is doing, we will find many opportunities to help in the work of getting the message out to the scattered remnant, each in our own area. Besides handing one of these to people we meet, they can also be posted on bulletin boards at the supermarket, laundromats, library - use your imagination! Some people have suggested printing out a bunch of these and then canvassing parking lots and public parking, placing them under wipers on the cars. You can also publish the simple message on them in free papers found in many communities. An amazing amount can be done with these at little or no cost other than a little time and effort. We encourage everyone to think about it and do what works for you.

Friends, Tsiyon Members both old and new continue to tell us this message is life changing, as they actively plan for the remnant exodus for themselves and their families. I especially like to hear how concrete these unique action plans become as they take shape. Here is an example of what I'm talking about, sent in by one brother recently:

I have been voraciously listening to the EbD bet Midrash lately and it is truly life changing. I am very thankful for what Yhwh has planned for my family and I as we serve in His Kingdom in the coming years. As we speak we are preparing for the second exodus. I am currently studying to be a physicist so that I can have a job in Israel when it is time to move - if Yhwh plans for me to have a job there and at that time.

Can the Kingdom use physicists? Are you kidding me? Of course!

Listen, the world government that is coming in like a flood is a scientific oligarchy. Physics/science is at the center of their agenda to provide the technical means to manage and control the masses and the world. People in our midst who can grasp the weird science of the elite and talk that language, and ours, could be useful instruments in the hand of Messiah to help us navigate through the coming days. In fact, I'm seeing that many of the people that Yah is attracting to this message are highly intelligent people with serious skills in many different areas - all of which are useful to the Kingdom! Yah's nation must grow into a viable alternative to the domain of darkness hasatan has planned just ahead. That means we need all kinds of people with many different gifts, talents, knowledge and ministries - but unified as one. What Messiah is building together, living stone upon living stone, is awesome! What a joy to see Him bringing in the precious treasures of the world - namely, his jewels, His precious remnant.

As you probably can sense, I'm feeling stoked up about Messiah's people. One reason for that is that we are having fellowship with visiting brethren quite a bit lately. For example, one brother who visited recently practices natural medicine. His methods are noninvasive and offer an excellent alternative, in many cases, to what is often called "conventional medicine." It's not hard to see how Messiah can use him to bless His people.

We have another family with us right now, from Missouri, who have been a strong support to Tsiyon in recent years. The whole family have blessed this work in different ways, putting their whole heart into it. The patriarch of the family, Brother Gary, is an elder in this ministry, having a wealth of practical experience in following Messiah over the years. I asked him to prepare a message for us for our Sabbath meeting tonight, without specifying the topic. I was both delighted, and a little surprised, when he told me the topic Messiah had put on his heart to share. This is one of the most

controversial topics we teach on, in the minds of many folks new to our ministry. Yet, I'm confident that Brother Gary will bring a practical and insightful word on this that will bless us all. What does this involve? Calendar issues, especially the Sabbath. Tsiyon Partners, I know you are going to love hearing this along with our Tsiyon group here, as Gary shares his knowledge and experience with us on these matters. One thing I have seen about brother Gary, he has a wonderful way of dispelling confusion and getting to the heart of things. I can't wait, this is going to be good!

Blessing and Shalom,

Eliyahu ben David
