Tsiyon.org has a new website! - [Check it out here.](#)

From Eliyahu

Hello friends,

As we begin 2017 it is a good time to consider what path to choose. More about that in a minute.

Actually, we here at Tsiyon are continuing down the same path we chose a long time ago. For years now we have shared about that path with you from our website at [Tsiyon.Org](#). Now we have a new website, built by my son, Jacob, that will help us all progress further along the path. This new site utilizes the best technology for the most devices, so more people can access the truth Tsiyon has to offer, and can do so with less technical hurdles than ever before. This new site is just the beginning. We will be rolling out new features and new faces at our Tsiyon Road Messianic Radio Station, as our dynamic Tsiyon Team brings more of their talents online.

Note: When you visit the new site you may be asked to share your location. This is to allow the website to feed you times and dates adjusted to your own location. That way you can navigate the Tsiyon schedule and calendar adjusted to your own time. We do not collect this information, nor do we share or sell any information about individual web visitors - not with anyone, ever.

Note: This does not affect our Tsiyon Membership site at [Tsiyon.Net](#).

Tsiyon Members should still login [here](#).

Now, more about choosing your path. The path most people choose is the path of least resistance - the easiest path. This is the path of "go along to get along." There is lots of room for everybody on the broad road. Its sort of the UN of roads. Its a super-highway, really.

Then we have the narrow road. Its cramped. Its not popular. Sometimes its really hard. And it often seems slow and long. Why would anyone ever take a road like that, right?

But wait a minute. Don't we have to ask where these roads go to? Isn't the destination the most important thing about any road? Sadly, people often forget about the destination, and that is their big mistake.

The broad road, Messiah says, ends in "Destruction." That's not the destination I'm looking for, even if that road appears to be easier.

The narrow road, the road most people won't even consider, that's the road that leads to "Life" - so that's the road for me. How about you?

Choose your path.

Messiah talks about the two roads in Matthew 7, and we are discussing that in our online Tsiyon meeting tonight at Tsiyon.Net. Join us at 8 PM CST.

Shalom, Eliyahu

70 Nations Conspiring Against Israel

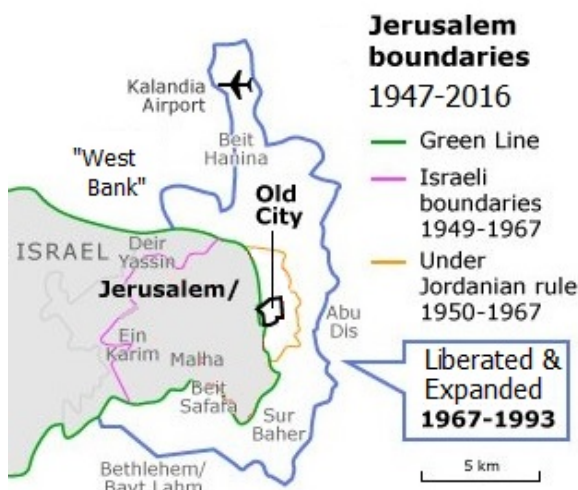

Commentary by Eliyahu ben David, 1/6/2017

In 2015 the nations of the world convened at the UN to adopt the 2030 Agenda; which is essentially a road map to a one-world UN government in that timeframe. This is the globalist agenda that now seems to have been somewhat frustrated by BREXIT, and even more so by the election of Donald Trump as President of the USA. How could that happen?

I believe it was an expression of grace for America, and one important reason that grace was extended has to do with something else that happened in 2015, that involves Israel. You may recall that in 2015 France had a UN Security Council resolution ready to launch that was intended to permanently divide the Land of Israel along pre-1967 lines. This resolution would claim to give East Jerusalem to the Palestinians as the capital of their new state. This includes the entire Old City of Jerusalem, with Wailing Wall, Temple Mount, and all.

In 2015 the entire UN Security Council was ready to pull the trigger on the French resolution, but the United States has veto power on the UN Security Council, and made it known that they would veto the resolution. Because of that, France never submitted it for a vote. Although many bad decisions were made in the preceding seven years of the Obama Administration, I believe this benefit done to Israel by the USA was rewarded from above. Hence, the successful run of Donald Trump, a strong supporter of Israel. This is in keeping with the covenantal promise of Scripture that the Creator will bless those that bless Israel and will curse those that curse Israel.

Now, in the closing days of the Obama Administration a new threat to Israel has emerged. No doubt you are aware of the recent UN Security Council resolution [UNSC 2334] recently passed by the Security Council. This is essentially the same UN resolution the USA blocked in 2015. This time it was not blocked by the USA, the first time America has ever failed to protect Israel in the Security Council.

Green Line indicates pre-1967 bounds.

is inaugurated into office and can stop them, which tells you that they are up to no good. Kerry floated a plan to return Israel to the pre-1967 boundaries, while also establishing a Palestinian state in Land now held by Israel, and this may be what they are trying to enforce through the UN, before Trump gets into office. Whatever they are planning, you can be sure it is bad for Israel.

It is astounding that this move is being made by 70 nations, the original number of nations in the world. Further it was the original 70 nations that defied the Creator at the Tower of Babel, rejecting Him and rebelling against Him. Now, at the end of the age, all has come full circle as 70 nations again unify together to defy and oppose God. That number is profound and has to be much more than a mere coincidence. Further, the object of UN desire here is Jerusalem, further identifying this as a prophetically significant move against God.

Surely, this UN conspiracy recalls to mind these prophecies:

"They conspire with cunning against your people. They plot against your cherished ones. **"Come," they say, "and let's destroy them as a nation, that the name of Israel may be remembered no more."** For they have conspired together with one mind. **They form an alliance against You."**
(Psalms 83:3-5)

"It will happen in that day, that I will make Jerusalem a burdensome stone for all the peoples. All who burden themselves with it will be severely wounded, and all the nations of the earth will be gathered together against it."
(Zechariah 12:3)

"I will gather all nations ..I will execute judgment on them ..They have divided My Land.." (Joel 3:2)

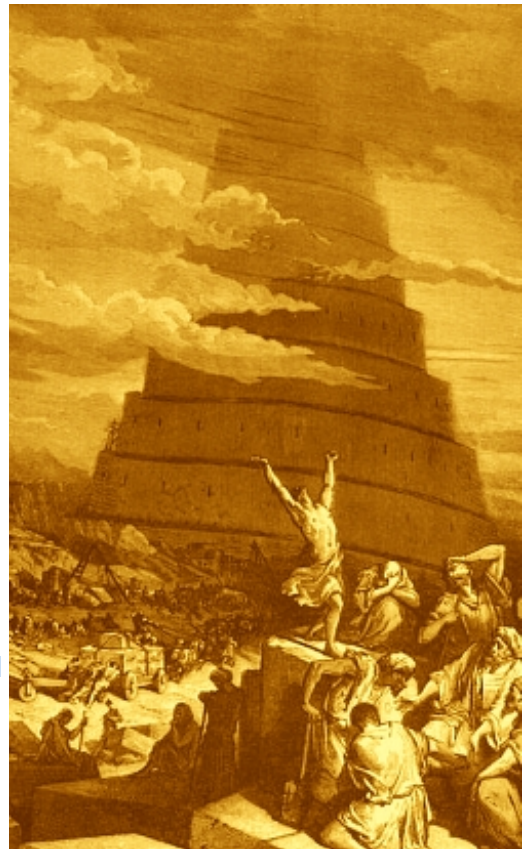

In the wake of these events all people in the world will have to choose a side. Here at Tsiyon, we stand steadfastly with Israel against her enemies, the enemies of YHWH, Israel's God - our God. May those enemies be confounded, and utterly put to shame. Indeed, they will be "severely wounded" as they persist in their vain conspiracy against the Almighty. Until that happens, brace yourself for a wild ride, because the nations of the world have dared to touch the apple of God's eye. In doing so, they are provoking Him to rock the foundations of their world.

France to convene Middle East peace conference on Jan. 15

PARIS France will convene some 70 countries on Jan. 15 for a Middle East peace conference in Paris, its foreign minister said on Thursday, and will invite the Israeli and

Palestinian leaders to meet separately at its conclusion.

France has repeatedly tried to breathe new life into the peace process this year, holding a preliminary conference in June where the United Nations, European Union, United States and major Arab countries gathered to discuss proposals without the Israelis or Palestinians present.

The plan was to hold a follow-up conference before the end of the year with Israeli Prime Minister Benjamin Netanyahu and Palestinian President Mahmoud Abbas involved to see whether the two sides could be brought back to negotiations and revive moribund peace talks.

Netanyahu had repeatedly rejected the conference proposal.

"France is still determined to hold a conference in Paris to reaffirm the necessity of a two-state solution," Jean-Marc Ayrault told journalists.

"January 15 is the date that has been fixed and 70 countries are invited. We are not going to give up now."

A French diplomatic source said invitations would also be sent to Netanyahu and Abbas to meet French president Francois Hollande to outline the results of the conference.

The source said that with uncertainty surrounding how the next US administration would handle the issue it was more important than ever to deal with the issue.

"You can see that it's even more justified in this context," the source said.

Ahead of a UN Security Council vote at the UN later on Israeli settlements, Ayrault declined to say how Paris would vote, but repeated that settlements were illegal.

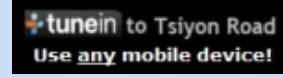

"We will look at this text carefully. The ongoing settlements completely weaken the situation and create tensions and move Us away from a two-state solution".
