From Eliyahu

Hello friends,

As I write, tonight begins the last Sabbath of the 6th Torah month, at the dark of the moon. In either two or three days the first sliver of the new moon will appear, signaling the start of month 7. We never know for sure whether it will be two, or three days, because it depends on an actual sighting in Israel by the naked eye. Varying atmospheric conditions make an absolute prediction impossible. We just have to wait and see.

The first day of the month is normally not a feast day. Some people mistakenly think the first day of each Torah month is the New Moon feast, but they are mistaken. The New Moon feast is the period during the dark of the moon when we are waiting for the new moon to appear. My book, Holy Time, explains all about this.

Only in the 7th month is the 1st day of the month a feast day. It is called Yom Teruah. We also call it the Day of Shouting, and the Day of Trumpets, or just Trumpets for short. There are also some other names. Since it is the only feast day to fall on the 1st day of the month it is unique as being "that day nobody knows." It is a day of celebration, yet we don't know for sure until it arrives on which day it will be.

Yom Teruah points forward to the coming of Messiah! It is That Day Nobody Knows!

It is the 1st day of the month because the coming of Messiah is the start of everything for us. It is "That Day"!

Our Tsiyon Sabbath meeting tonight perfectly dovetails with Yom Teruah. We didn't plan it that way. YHWH did. We have been going through Matthew in our Sabbath meetings, and we have arrived at the 2nd part of Matthew 24 for this meeting. This is the portion of Matthew in which Messiah talks about That Day Nobody Knows.

Shalom Remnant Family,

Abby here. We have a great program lineup for you on Tsiyon Road, this seventh-month!

During this special time I'm often reminded of the many things YHWH has done for us as a nation, and the important duty we have to Him throughout these end days. The seventh month is a time that looks forward to the return of Messiah, and future last days events, while also looking back; reminding us of the birth of Messiah, the Israelites dwelling in tents as YHWH brought them out of Egypt, the sin of both our forefathers and ourselves, and the great price Messiah paid to redeem us.

It's also a good time to remember the Covenant and how He's been faithful to preserve a righteous remnant who would obey the Torah even as our nation failed to keep it. Remembering the covenant is exactly what we'll be doing as we air our Leviticus Midrash Marathon from start to finish throughout this upcoming month.

We'll also have other special programming for each of the feasts, so be sure to listen!

Also, you've probably noticed we've got some new music playing on the station. The group "Fragrance of Heaven" made up by Renalee, Matthew East, and Rich Friedman, submitted their album "Fragrance of Heaven" for airing on Tsiyon Road. Renalee also sent in her albums

“Forever Love” and “Run to the Torah”. These songs are a beautiful praise to YHWH, so enjoy! Of course, we are adding these to our many other wonderful music artists you are already enjoying on Tsiyon Road, this 7th month.

All in all, I'm really excited about our program lineup for this 7th month, that will be both inspiring and entertaining, so I know you'll certainly want to tune in!

Blessings and Shalom,

Abby
