From Eliyahu

Hello friends,

What a stark contrast there is between the chaos and darkness of this world, and the shalom and joy of following Messiah!

Followers of Messiah are undeterred by the world, and have no use for dead religion, fake religion, or religion at all. Why would we need any of that when we have HIM?

Really, what we need is more of Him, all the time, every day.

Only Messiah is "the Way, and the Truth and the Life!"

Isn't that pretty much all there is that matters?

That makes this day, the first day of Sukkot/Tabernacles on the Torah Calendar, a wondrous day, for every follower of Messiah. This is Messiah's birthday! This is the day He came into the world to Tabernacle with us!

His purpose in coming into this fallen world was not only to redeem us (something no one else could do) but also to model life as it should be lived, as it was meant to be lived - and to give us the capacity to live such an awesome life as that. Yes, to live out His life in our life. There is no other way to experience such an awesome life but to follow Him - to learn from Him - to come to know Him more and more each day.

For us, the term "Messianic" means to follow the Messiah in every aspect of our lives. As we do we find that we are changed, transformed, to become more like Him in our own unique way throughout the journey of our own individual life. Through this, He is glorified in us - and in us, He is manifested to the world. This is our high and holy calling - to manifest Him in this world, to the glory of Elohim, our Father.

All of this happens through following Messiah.

All of that is why we are inviting you to join us for the next eight nights, starting tonight, for about an hour or so each night, as we focus on what He did, and what He said during His amazing life on earth with us. This profound account has been preserved for us in writing by the man who repented of being a tax-collector and a swindler by giving back all of his ill-gotten gains. Matthew's encounter with the Messiah totally changed him, as he followed the greatest treasure he had ever seen - as he followed Messiah. The Book of Matthew reveals Messiah, and we (Tsiyon and our Tsiyon Partners) have been walking, along with Matthew, following Messiah in what Mathew reveals, through the last year. Believers from around the world have participated and shared treasures of truth with one another. This has been a living experience that has changed lives! Now, for Sukkot, we want to share many of these wonderful nuggets shared by fellow-believers around the world, with all of you!

This is free for all who wish to sign-up and take in this bounty of life-giving truth.

Please, come and invite others to come as well.
