## Revelation Judgment of the Churches

Revelation 1-3 depicts Messiah as High Priest walking in the midst of the 7 churches, judging them. The 7 churches picture all end-time churches professing belief in Messiah/Christ. In this episode of our program we will examine how this has been literally fulfilled in our day.

Other questions considered in this program:

When does judgment of the Churches begin?

When does it end?

Where does this place us now in the end-time plan of YHWH?

What are the implications for the overcomers?

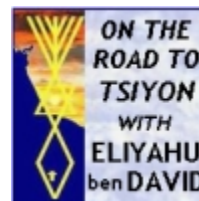

*Note For Tsiyon Partners: We are presenting more information for some of these Revelation programs than will fit into our regular hour programs. When we do that we are creating an "extended edition" just for our Tsiyon Ministry Partners that includes EVERYTHING. We are producing Revelation supplements for our Tsiyon Ministry Partners, also. This information is vital for the remnant of Israel and is being unsealed right here, right now. Please, don't miss a thing.*

### In The Grip Of Revelation!

Something amazing is going on in my life. I've been in the grip of revelation since Passover of this year. During Passover week (ULB) I received a powerful new infilling of the Ruah (Spirit). Since then I have been in the Spirit daily and much in the book of Revelation is being opened up to me through visions, dreams and opening of the Word by revelation of the Spirit. I haven't had a whole uninterrupted night's sleep since Passover week, since I am literally being awoken by revelation nightly. This has been so intense that I have hardly been able to think about anything else through each day. I'm falling behind in my email, website updates and other normal daily activities - but I just can't help it. Please forgive me if you have been waiting for a response on something and haven't got it yet. I will get back to you as soon as possible. This revelation is the priority right now, since it is being given to share with all of you. Therefore I am pushing normal activities aside so that I can concentrate on getting as much as possible studied out and recorded to share with all of you on the program.

## Our Latest Book

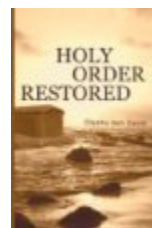

This week's program is a good example of what I'm talking about. I was having a rare moment of restful sleep one night, having pushed Revelation out of my head, because I was so tired. That was not to last. I was literally awoke out of that sound carefree sleep by an audible word actually stating the salient point of this particular program - having to do with the timing of the judgment of the churches. After that I did all the research you will find with the program, most of it there for you in the supplement. When I checked what I had heard against the facts and the Scriptures I realized that this is a key revelation for the overcomers right now. You will know what I mean when you hear the program. Please don't miss even one of these revelation programs because they are forming an amazing picture when put together, one after the other. Also, feel free to share them with your friends.

Blessings to you and yours in Y'shua Messiah!

Shalom,

Eliyahu ben David
