New: [The Black Horse Rider Unsealed 2](#)

When he opened the third seal, I heard the third living creature say, "Come!" And behold, a **black horse**, and he who sat on it had a balance in his hand. I heard a voice in the midst of the four living creatures saying, "A choenix of wheat for a denarius, and three choenix of barley for a denarius! Don't damage the oil and the wine!"? Revelation 6:5-6

Latest News At Tsiyon

Tsiyon down for repairs:

In our last newsletter we told you how our web site was shut down without explanation or notice a week ago and how we hurriedly had to move to a new web host to get our site back up. Well, the whole thing turned out more difficult than that. It seems there are a lot of incompatibilities between our old host and our new one - so our site is not working well. We have been having outages and are uninstalling and reinstalling various scripts and other components of our site this weekend. Our news list software isn't working either, so we don't know how we will be getting this newsletter to you. All we know is we are committed to getting all this straightened out and will emerge with a better site than we had before!

The good news is...

The good news is that, despite web tech problems, this week's program is one that we are very proud to share with our listeners. It explains provisions of Torah at a depth we seldom hear. It shows how even the simplest departure from Yah's instruction can have far-reaching effects beyond what we ever would have dreamed. We learn that - surprise - the troubles in the world are not His fault but are our fault. Our Father is vindicated. Truly, it is His world and we are all blessed living in it when we do things His way.

Thanks for listening to Tsiyon Radio!

Shalom in Messiah,

Eliyahu ben David
