Revelation: *Fifth Seal - How Long O Lord?*

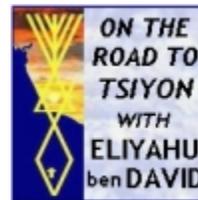

*When he opened the fifth seal,
I saw underneath the altar
the souls of those
who had been killed
for the Word of God,
and for the testimony
of the Lamb
which they held.*

*They cried with a loud voice, saying, "How long, O Lord, holy and true,
until you judge and avenge our blood on those who dwell on the earth?"*

*A long white robe was given to each of them.
They were told that they should rest yet for a while,
until their fellow servants and their brothers,
who would also be killed even as they were,
should complete their course. Revelation 6:9-11*

**After the opening of the fifth seal
the righteous will be asking;**

Join Us For Sukkot: We are making plans now for Sukkot. If you think you may be interested in joining us for Sukkot this year please [contact](#) us for information. We will be having a small group visiting with us in Texas who are interested in being prepared for things to come. There is nothing quite like spending a little face to face time to really get to know one another. We would love that opportunity to get to know you.

Listener Feedback & Answers:

Can I copy the Tsiyon programs to a CD?

Q. USA: Warm greetings in Yeshua, I have a hard time reading, am I allowed to make a CD copy of the programs so I can listen to them? And how can I do that? Thank you so much for everything!

A. No problem on making CDs for your own use. We don't even mind if you want to give one away from time to time. [Our copyright restrictions are that you don't edit the programs and you don't give away more than one at a time.] Making a CD is pretty easy. The program files are in mp3 format, which is a very common format. Many CD players today will play mp3

files. If your player will play mp3 files all you need to do is download the programs from the website then copy the files onto a CD and you are ready to go! The advantage to this approach is you can copy a lot of mp3 files on one CD. You can get a CD player at Wal-Mart for around \$20 that will play CDs with mp3 files.

If your CD player does not play mp3 files you will have to turn each program into a standard audio CD. Most software for making a CD will offer "audio CD" as an option. Typically all you need to do is drag your mp3 file into the correct window of your software and it will convert it into audio CD format for you. Just follow through the steps for your software. This method will give you one program per disk, but will work with any standard audio CD player. Your computer will also play these mp3 files. To listen using your computer just download the files from the website then double-click on the file. Your player software will open and play the file.

How Long O Lord?

If you are like the rest of the righteous you are likely getting tired of the trials of living in this world, which is controlled by "the ruler of the authority of the air, the spirit now working in the sons of disobedience" (Eph 2:2). How we long for the return of our righteous Messiah Whose Kingdom government is the only hope for true peace and security for mankind! Brethren, while we keep our eyes on the prize Messiah reminds us of the need to endure in faith for a while longer, since "he who endures to the end, the same will be saved" (Matt 24:13).

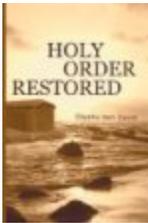

During the coming fifth seal period the common cry of the set-apart ones will be: "how long O Lord?" While that will be a difficult time, it will give way to the Return of the Remnant of Israel to the Land as a unified Kingdom Nation under Messiah. Here we have another case of things needing to get worse before they can get better - but they WILL get better for the Remnant! Know the big picture in advance so that the time of travail will not de-rail you, but instead will prepare you to be a part of a new birth of a renewed nation for YHWH's eternal glory.

How blessed we are to be serving Him now, in these exciting days!

Shalom in Messiah,

Eliyahu ben David
