Revelation: Sixth Seal - Signs in the Sky

"There will be signs in the sun, moon, and stars." Luke 21:25

And when He had opened the sixth seal, I looked, and behold, there was a great earthquake.

And the sun became black, like sackcloth of hair, and the moon became like blood.

And the stars of heaven fell to the earth, even as a fig tree casts her untimely figs when she is shaken by a mighty wind.

And the heaven departed like a scroll when it is rolled together.

And every mountain and island were moved out of their places.

Revelation 6:12-14

US, European experts believe Iran already has full nuclear capabilities but has chosen to appease international community, suspend uranium enrichment in favor of investing in new centrifuge formation, which in time would allow it to reach its nuclear goals doubly fast.

..The IAEA's latest report of Iranian nuclear capabilities noted several covert developments "which should be cause for some concern": Developments of nuclear detonators, high-end experiments involving conventional explosives made to accelerate nuclear warheads' fission and underground nuclear testing facilities. The most disconcerting find, however was that of computer files suggesting Iran already possesses – and may have already tested – a full-fledged nuclear warhead. To make matters worse, the Swiss authorities have recently discovered even more computer files suggesting Abd al-Kader Khan did more than draw plans for a simple nuclear warhead – he may have also provided the Iranians with the blueprints for a new, extremely small nuclear warhead, which can be installed atop ballistic missiles.

Russia threatens to supply Iran with top new missile system as 'cold war' escalates

Telegraph.co.uk

By Philip Sherwell in New York and William Lowther in Washington

US intelligence fears the Kremlin will supply the sophisticated S-300 system to Tehran if Washington pushes through Nato membership for its pro-Western neighbours Georgia and Ukraine. The proposed deal is causing huge alarm in the US and Israel as the S-300 can track 100 targets at once and fire on planes up to 75 miles away. That would make it a "game-changer", greatly improving Iranian defences against any air strike on its nuclear sites, according to Pentagon adviser Dan Goure. "This is a system that scares every Western air force," he said.

..A senior US intelligence operative who recently returned from the Middle East said Russia is believed to have struck a tentative deal to sell the S-300 to the Islamic regime. There are reports that Russia has already moved some basic components for the system to its close ally Belarus, ready for possible transfer to Iran.

..Dan Goure, a long-time Pentagon adviser, said: "If Tehran obtained the S-300, it would be a game-changer in military thinking for tackling Iran. That could be a catalyst for Israeli air attacks before it's operational."

Dr Friedman said that if it became operational, it would effectively rule out Israeli air raids and seriously complicate any US aerial bombardment.

The system would take up to a year to become operational. In the meantime, Israel would come under heavy domestic pressure to launch an attack on Iranian nuclear plants, which the West believes are part of a secret atomic weapons programme but which Tehran claims are for civilian energy.

Dutch intel: US to strike Iran in coming weeks

Sep. 1, 2008

JPost.com Staff , THE JERUSALEM POST

The Dutch intelligence service, the AIVD, has called off an operation aimed at infiltrating and sabotaging Iran's weapons industry due to an assessment that a US attack on the Islamic Republic's nuclear program is imminent, according to a report in the country's *De Telegraaf* newspaper on Friday.

The report claimed that the Dutch operation had been "extremely successful," and had been stopped because the US military was planning to hit targets that were "connected with the Dutch espionage action."

The impending air-strike on Iran was to be carried out by unmanned aircraft "within weeks," the report claimed, quoting "well placed" sources.

The Jerusalem Post could not confirm the *De Telegraaf* report.

According to the report, information gleaned from the AIVD's operation in Iran has provided several of the targets that are to be attacked in the strike, including "parts for missiles and launching equipment."

"Information from the AIVD operation has been shared in recent years with the CIA," the report said.

On Saturday, Iran's Deputy Chief of Staff General Masoud Jazayeri warned that should the United States or Israel attack Iran, it would be the start of another World War.

On Friday, *Ma'ariv* reported that Israel had made a strategic decision to deny Iran military nuclear capability and would not hesitate "to take whatever means necessary" to prevent Teheran from achieving its nuclear goals.

According to the report, whether the United States and Western countries succeed in thwarting the Islamic Republic's nuclear ambitions diplomatically, through sanctions, or whether a US strike on Iran is eventually decided upon, Jerusalem has begun preparing for a separate, independent military strike.

Conclusion

News reports continue to indicate the Four Horsemen are on the move as the world teeters on the brink of crises on every side. Pray for the righteous.

Meanwhile, Tsiyon Radio continues to inform you about the period of time we are now in - the period of travail that will eventually bring in the last seven years of this age, often called "The Tribulation Period." Be aware, the Tribulation Period will not come until Seals 1-6 come first. In this week's program we begin our examination of the critical sixth seal. This is the one that will transition into the Tribulation Period. We are presently a number of years away from this seal. This seal involves specific "signs in the sun, moon and stars." In this episode of our program we will lay the groundwork for understanding this sixth seal in its fullness by examining earlier predictions of signs in the sky as found throughout the Scriptures. We will make this CRYSTAL CLEAR for you to understand exactly what to look for, when these signs happen and what they mean. You will be praising YHWH because of this truth!

Blessings to you and yours in Messiah's mighty Name.

Shalom in Messiah,

Eliyahu ben David
