### **[Now Is Come The Kingdom](#)**

*..far beyond what we could ask or imagine*

"Thy Kingdom come, Thy Will be done, on earth as it is in Heaven." Y'shua spoke these words 2,000 years ago and somehow I always thought that all of this was in HIS hands and that we were merely waiting for this miraculous event without any real hope that we could change or influence these events in any tangible way. I can't even say that prior to my studies here at Tsiyon that I even had a real understanding of the Kingdom or why we would want to live there. These messages continue to build an understanding of YHWH's plans and purposes that go far beyond what we could ask or imagine.

I've heard teachings that proposed that the Kingdom would come once all the people of the earth had had a chance to hear the Gospel message and various other human efforts programs put forth by other religious groups. All of these teachings drift about as mere smoke in light of the Scriptural truths presented here.

As I listened to this message the first time, I had a picture of these end time events painted with broad brushstrokes with lots of empty spaces. As I listened to it again, I started to see smaller strokes being added here and there that enhanced the overall view and each one was a delight. As I typed up the transcript of this message and considered it even more, I started to worry about all those that would only listen to each program once and miss the fullness contained therein. I believe that YHWH is sharing HIS heart and this message for US considering the times that we live in and the need to know these things now. Don't miss what is contained here by rushing through these messages. This is not milk!

## So Much Truth

There is so much being revealed in these teachings, So much truth being revealed. So much meat. so much, people need to hear these messages especially now. I have heard many programs here & some of them more than once. Its so enlightening and refreshing to hear the truth, to wake up to things we have been deceived by. I liked how in the program that when he mention Gen 3:15, using that accurate translation, it was referring to Yeshua & also referring to Israel's manchild 144,000, I hadn't heard the teaching connecting this verse with the 144,000. So I am always amazed to uncover more truth that never would have been a thought.

## Stars for Signs and Seasons

["I saw a great sign in heaven, a woman.."]The Woman in Revelation 12, explained Eliyahu, speaks of Virgo (Hebrew: Bethulah) in the firmament in which YHWH has ordained -Gen 1:14 & 15; Job : 38: 31, 32- lights/stars "for signs, and for seasons"! Wow! What a revelation, as only the Ruach can reveal! Preachers and teachers in congregations teach that this Woman is the church?! How could she conceive to bring forth a Manchild in all her idolatry and unrighteousness to rule with an iron rod?! Virgo is actually Yisrael, travailing to bring forth, as a woman having her birth pangs, but brought forth wind. ABBA is saying to Yisrael-RETURN to ME! And then in Rev. 12 we are shown that through the gathering of the Remnant of Yisrael, Yisrael shall blossom and bud, and fill the face of the world with fruit.-Isaiah 27: 6 "And the ransomed of YHWH shall return and come to Tsiyon with songs and everlasting joy upon their heads: and they shall obtain joy and gladness, and sorrow and sighing shall flee away." !! Isaiah 15: 10 This Manchild, a Corporate Man, brought forth by travailing Yisrael is the 144,000 out of the 12 tribes, overcomers by the Blood of the Lamb and their testimony, [having been] sealed! Amein!

## Concluding Thoughts from Eliyahu

One problem some listeners have mentioned, at this point in our Revelation Series, is that there has been so much new information that it is hard to digest it all. That's why we did this week's program! It is an overview of high points from the entire Revelation Series to date. Our aim is to help to pull it all together for you into one big picture. Dawn and I had a lot of fun taking this little stroll through all of the Revelation Series programs, and we hope you will enjoy strolling along with us!

Blessings to you and yours in Messiah.

Shalom,

Eliyahu ben David
