### Listener Feedback & Answers:

#### **Buffering Troubles**

**Q.** *For weeks and weeks - months actually - our family has tried each week to listen to your Revelation series teachings. When we can get them they are wonderful and we love to listen to them. But for the most part we have a terrible time and grow increasingly frustrated and disappointed. Almost always, it gets hung up, says it is "buffering" and will never make it through.*

**A.** I'm sorry to hear that you are having problems listening to our program from our website player. There are lots of things that effect the streaming of our program that are beyond our control. For example, a slow connection or poor connection causes increased buffering. Fortunately, there is a solution that works for most people. What you need to do is download the file to your computer. Here's how:

Look at our latest program. Find the line with the link that says "play" where you are playing the program now. On the end of that line it says "Download". Right-click on "Download" and select "Save Target As.." - then save the file to your computer. After the file has been completely downloaded just click on the file to listen. There will be no buffering problem and you can listen again anytime you wish. You can also burn the program onto CD and listen using a CD player in your car or anywhere.

**Revelation: What Now? - Thoughts from Eliyahu:**

Friends, with this current program we've finished the first phase of our Tsiyon Revelation Series. We have been producing this series of programs for seven months. We were launched into this series by urgent revelation given by YHWH beginning this last Passover, and continuing thereafter. We have now shared the full burden of the message given to us for this present hour. This week's program explains what's next. It is evident to all who have heard our Revelation Series that fulfillment of much covered in the series is now underway. This is no small matter! People are feeling the effects of this fulfillment and the righteous need to know the truth set forth in the Tsiyon Revelation Series. If you are seeing the importance of this message, can you help to get this message out? I ask this knowing many of you have been helping already by telling others about the programs, praying for our mission and in other ways. We really appreciate that!

In these critical times, consider increasing your involvement with Tsiyon. If you are not a Tsiyon Ministry Partner yet, please consider signing up to avail yourself of all our [Tsiyon Ministry Partner](#) benefits. Do you have gifts, talents and abilities that you could use to aid our Tsiyon mission? More importantly, do you have a heart to serve the Kingdom? If so I invite you to join one of our new fellowship and service groups, the [Sons of Tsiyon](#) and the [Daughters of Tsiyon](#). The emphasis here is on serving together, each one in their own way, but in unity together, to get the message out and to help build up the Remnant Nation of YHWH.

Why focus on works of Kingdom service right now? Because we still can! Y'shua summed it up best: "I must work the works of him who sent me, while it is day. The night is coming, when no one can work." Let's produce fruit for the Kingdom while the sun shines. Amein? One last thing. I want to tell you a wonderful secret that has blessed my life: Even just a little Kingdom service causes blessings to flow! [Sign up](#). You won't be sorry. (John 9:4; Matt 6:33)

Blessings to you and yours in Messiah.

Shalom,

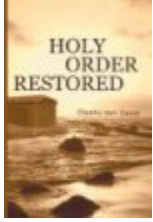

Eliyahu ben David
