Daughters of Tsiyon in action for the King: First Meeting 12/08/2008

A great big thank you to all of the ladies who were able to attend the first meeting of the Daughters of Tsiyon! It was a blessing to hear from each of you. I appreciate the courage it takes to defy the messages and interference the world tosses in our direction to be able to come and spend time sharing openly with one another. I was so impressed with each one of you!

Let's summarize some of the items discussed. We heard testimony of how various ladies were drawn to the truth and teaching. We know that others will be drawn by hearing the truth too, so we talked about getting the programming "out there" where it can be heard as a way to help others find the truth. We mentioned that this could be achieved through giving folks an Audio CD or MP3 file copy of a program or two. One woman shared this is exactly how she came to hear the Revelation series after her friend gave her a

copy on CD. She did a “marathon” study of listening to the whole series in a two-week time frame!

We heard from believers who share specific programs at specific times of the year geared towards the needs of their friends and family. Program 22: Son of Man Our Redeemer was one such program specifically recommended. There was mention too of giving Audio CDs of Tsiyon programs to family members who “expect” a gift for various upcoming holidays.

Another woman shared what YAH spoke to her within her personal prayer time about using mail to reach people for the Kingdom with the truth—this dovetailed with another’s receiving an article speaking about the imminent collapse of commercial radio in these economic times. Combining this with the Times Magazine article about the top 10 trends of 2008 we talked about how to get the program carried on more stations and how doing so locally could potentially bring about new Messianic fellowship groups. We talked about how hand-written postcards can effectively accomplish this task without a lot of cost or time commitment. Everyone can write a postcard to their local radio stations requesting the station carry *On The Road to Tsiyon with Eliyahu ben David* radio program on their local programming schedule. Examples were distributed, as well as templates.

If you missed this week’s meeting, it is not too late. We recorded the meeting! You can listen when you [sign up today!](#) Our next meeting is Dec. 18 at 8 EST. Discussion at the next meeting will include testimony by Mary and Barb about the things they have been doing in their local area to get the word out—if you haven’t met Mary or Barb yet you are going to be amazed by their story! These are women who understand Esther/Hadassah’s choice!

For if you remain silent now, then relief and deliverance will come to the Jews from another place, but you and your father's house will perish. Who knows if you haven't come to the kingdom for such a time as this?" (Esther 4:14)

A Few Words From Eliyahu:

As we view the news each day we see more of the troubles foretold in Scripture for this final generation. How blessed we are to know that the Lamb is Worthy! Our Messiah, the Lion of the Tribe of Judah, is uniquely and fully qualified to open the seals and to release the judgments that will set all things right with the universe. In these troubled times may we remember His comforting words: *Let not your heart be troubled. Believe in God. Believe also in me* and also *I have spoken these things to you so that you might have peace in Me. In the world you shall have tribulation, but be of good cheer. I have overcome the world.* Yochanan / John 14:1, 16:33

Think of that! Our Master has overcome the world! He has called each of us to be overcomers as He is. He has given us all we need to overcome the world just as He did. Therefore, we do not need to be afraid of the uncertainty and change of these days. Whatever may change one thing will not - His love for His own! He says specifically to us; *I am with you always, even to the end of the age.* Matt.28:20

Amen Y'shua! You are with us through it all!

Shalom,
