Listener Feedback & Answers

Balanced Messianic Ministry

Listener Comment from NM. Thank you so much! I am so pleased to be part of you all. I found you "by accident" (like anything in Messiah is an accident!) while just on the internet one night. I clicked into some of your free programming and have not been able to leave the site! When I got paid today, I just had to immediately sign up and start the month donation. As the LORD prospers me, I will increase the amount. I want to thank you all for giving the opportunity to study with you and to be your new friend! I really appreciate the time and the money that you put into your shows and teachings. It has become one of the biggest blessings in my life. You and Dawn are really fun and really down to earth. You are Messianic but you are balanced and believe me, that is rare in the Messianic community. (Sometimes I think the Messianic community is just as messed up at the church community - though I know we all are messed up without Messiah!) I belong to a Messianic Congregation and my husband and I are

the Prayer Coordinators for it. I count it a blessing to pray not only for our family congregation, but for Tsiyon Heights and for you and Dawn - every day!

UN Security Council Resolution 1850

Listener Comment from TX: You may have already seen this, but today on December 16, 2008 the United Nations Security Council passed Resolution 1850. This resolution was sponsored by the quartet and led by the U.S. and Russia. You can watch one of the last acts of the Bush Administration as Secretary Rice leads "Quartet" comments on Resolution 1850 on my blog. Rice has renamed the "Roadmap" the "Annapolis Process" stating: "What that resolution does is to put the international community on record in believing in the irreversibility of the Annapolis process – bilateral negotiations toward a two-state solution, a comprehensive solution, and the various principles of Annapolis and what the parties have established since then. And I believe that that will then add the voice of the international community through its most powerful and its most consequential body – that is, the Security Council – to establish Annapolis as the way – the Annapolis process as the way forward." If you have not heard about the latest resolution from the UN on dividing Israel, please see my blog update and the Condoleezza video: <http://myscripturestudies.blogspot.com/>

Tsiyon Reply: Thank you for your note. Like most of us in these circles, I have been keeping abreast on the latest developments regarding Israel. I read your blog and found it to be well written, bringing important points to the fore. Of course, I am in full agreement with you that the USA, The Quartet and the UN, which pretty much adds up to "all nations," are on a collision course with the immovable will of YHWH in their determination to divide Israel and especially, Jerusalem. In course of time this can only lead to disaster for those nations, which disaster is in fact already starting to fall upon the world. Let's join together in prayer for the righteous in these days, that YHWH may set them apart from the evil of the nations and that they may all stand solidly on His side through this time of travail and then through the tribulation to follow. Though there will be some dark days ahead we will see the Glory of YHWH revealed!

A Few Words From Eliyahu:

In this week's program we focus on the Four Horsemen of Revelation. Our unveiling of this topic goes deeper than anything you will find anyplace else on the subject. The Hebraic understanding is critical here. When we first brought forth this information last June some felt it far fetched that we said the Horsemen had been released at Pentecost of 2008. That doesn't seem so far fetched anymore. The global economic crisis that we predicted with the Black Horse Rider is now here - moving at full gallop. We have had wars break out and have already come close to atomic war between India and Pakistan. World War with Russia and China is closer than most people realize. The middle east is a ticking time bomb. UNSC Resolution 1850 has put the nations of the United Nations on a collision course with the Almighty. Clearly, the Four Horsemen are on the move - and this ride of the Four Horsemen has only just started! The spiritual shift that happened when those Horsemen were released has now made its way into our world and people everywhere can feel that we are on the edge of global momentous change. Change is here. Nothing will stop it because it was Messiah Himself who released these Horsemen into the world!

O Scattered Israel, YHWH will make Himself great in You before the eyes of all the nations! In these changing times be comforted by these words of our Father ...*Don't you be afraid, Jacob my servant, neither be dismayed, Israel: for, behold, I will save you from afar, and your seed from the land of their captivity; and Jacob shall return, and shall be quiet and at ease, and none shall make him afraid.* Jeremiah 46:27

Believe it.

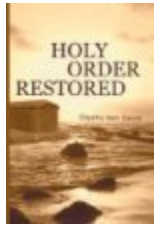

Blessings to you and yours in Messiah's Name.

Shalom,
