Pray for Israel: We know that the nations are prophesied to oppose Israel in the last days and it builds our faith to see Scripture being fulfilled. Even so, as international pressure grows against the State of Israel due to the war and political pressures, Israel needs our prayers. May the tragedy and stresses of the war, and the global situation, lead more and more Israelis to faith in their Messiah in these last days.

Looking Back on Tsiyon, 2008

"Joined the Community"

Listener Comment from Jill: Hello, my dear friends! ...I know it wasn't coincidence that I came upon your website one day about a year ago while searching for support for Sabbath, which I have kept now for 11 years. What I read on your site rang so true with me...which is always exciting to me! But, I must say, when, shortly after that we heard of Yitzak falling from the tree and being severely injured - and then we watched as your family walked through that very difficult time - my admiration for the "personal" side of your ministry grew. Then, when I read "Holy Order Restored", and saw the passion, beauty, and truth in that book - I was hooked! I just looked it up - it was 10/19/07 that I "joined the community", so it has been over a year....and I'm still here! I'm so grateful for the CD's of the REVELATION series - so I can go over and over them in my quiet time, and driving to work, etc. They are so important to understand - YAH's last written message to us? You guys have become family to me, and I pray for all of you to have a blessed 2009, filled with the wisdom and peace of YAHWEH!

2008 Favorites

Listener Comment from Shoshana: Wow, which programs did I like best in 2008? That's a tall order. The Matrix was not just a good metaphor for the delusion of the church and the underhanded behind the scenes dealings of the world power brokers, but Yah personally set me up for this when I picked up your book, Holy Time, and He said, "This will be like the Matrix." Uh, oh, time for a paradigm shift.

The idea of the remnant returning to Israel by the route we returned into the Land historically made a lot of sense. The identity of the 24 elders in court in the book of Revelation-- that's perfect. No one I know of had that revelation on Revelation before. That the

Elijah to come is the White Horse rider is another something I've never heard before. It makes sense. The positions of the 4 angels and 4 winds is great. That this all centers around Israel is absolutely true. Most of the world is taking a beating on this. Thanks, U.N. (a little sarcasm here). The church is blind to that, and major denominations are taking the wrong side, as well as the U.S. and U.N. Oh, how I long for sheep nations. Environmental warfare-- when I looked into the HARRP in Alaska I was appalled. Surely Yah will destroy the destroyers of the Earth. I knew of the heavenly sign, but hearing that broadcast was powerful.

A Joyful Revelation!

Listener Comment from BR: *I feel we have come a long way from where we once stood in Messiah after these past months diving into the book of Revelation. There are so many personal stories out there that need to be written. Not just for the sake of writing but for the edification of the body. You are important to me. You may not know me and I you but your testimony is very and I mean very important to me. Your growth is my growth your insights are my insights. We are a living body and we are breathing the life of Y'shua. Please respond to the email from Eliyahu and Dawn to comment on your favorite program. I for one like them am most interested. Bless you brothers and sisters that are on the Road to Tsiyon and shalom! ..So many programs so many memories so many things learnt! How to boil them down to get to my favorite? I came to an understanding before my relationship with On the Road to Tsiyon that the Anti-Christ was alive. I also viewed the book of Revelation as a scary and fearful time a time of doom, grief and nothing good until the end when Messiah comes. I was excited to travel with Tsiyon ministries through the book of Revelation, although still somewhat apprehensive. As Elijah Ben David took the chapters and explained them and backed them up with different books of the bible and verses things became more clear then ever. I would go to bed that same night as I learned something new and would wrestle in my sleep or lack of sleep what YHWH was helping me understand. We would wrestle several days and nights and finally the break through. I finally could see the world as He was seeing it, I accepted His Word on the matter.*

..We finally got to the programs of the White Horse Rider and again not what I expected. All the teachings I had ever heard was the evil of this rider. Eliyahu broke those fables and fallacies and proved that this was the Anointed Forerunner of Y'shua the Messiah. What a joyful revelation! I immediately prayed to the Father; let me please! Let me please; see this forerunner, this Elijah at work. I was so excited to learn that YHWH would send this forerunner. It was there all this time in Malachi three and four. It was my time to have this personally revealed to me. This was exciting news because like I indicated before all I knew of Revelation was the fearfulness of the age. But now freedom from fearfulness and welcome to "I am blessed to be in this time"! Hardship, yes for the future but by the Mercy of YHWH I am in one of the most spectacular times of the History of Man ..Maybe the White Horse Rider is my most favorite! But there is so much more in the other programs that have changed my life. I have been wowed, I have been joyful, I have been humbled and went straight to my knees in repentance. I have had fear of failing taken away from my life. I have been blessed; I have been moved into action. I have eyes that see the world in a different reality then what it appears. I have the confidence that I can make it in the life of Revelation that has begun. I am on the Road to Tsiyon with friends with a heart for the Father. Blessed be the One and only True G-d, YHWH! His Kingdom Reins Forever and we are walking in His Blessing. Hallelujah!

Final comments from Eliyahu:

Thanks to all our listeners who shared their comments about 2008. We love all of you!

As we move forward into the foretold global economic crisis, and other trials of the time of travail, may each of us find joy in adopting this exalted outlook of the prophet, Habakkuk.

*Though the fig tree shall not blossom, and fruit is not on the vines;
the labor of the olive fails, and the fields yield no food.
The flock is cut off from the fold, and no herd is in the stalls;
yet I will rejoice in YHWH, I will joy in the God of my salvation.
YHWH the Lord is my strength, and He will make my feet like hinds' feet,
and He will make me to walk on my high places. Hab 3:17-19*

Blessings to you and yours in Messiah's Name.

Shalom,

Eliyahu ben David
