## Listener Feedback and Answers

### **Speaking in Tongues?**

**Q.** *I was wondering what your views were about speaking in tongues. Do you believe that you do not have the Holy Spirit if you don't speak in tongues? Thanks so much for your help.*

**A.** The following verses answer that very well: *Now there are various kinds of gifts, but the same Spirit. There are various kinds of service, and the same Lord. There are various kinds of workings, but the same God, who works all things in all. But to each one is given the manifestation of the Spirit for the profit of all. For to one is given through the Spirit the word of wisdom, and to another the word of knowledge, according to the same Spirit; to another faith, by the same Spirit; and to another gifts of healings, by the same Spirit; and to another workings of miracles; and to another prophecy; and to another discerning of spirits; to another different kinds of languages; and to another the interpretation of languages. But **the one and the same Spirit works all of these, distributing to each one separately as he desires.** 1Co 12:4-11*

As you can see here, the Spirit is manifest in different people according to different gifts, services and workings. These include the gift of tongues (languages) for some people, while others have other gifts. Bottom line:

tongues are just one of many possible manifestations of the Spirit, "But the one and the same Spirit works all of these, distributing to each one separately as he desires."

### **Is Tithing Hebraic?**

**Q.** *I sent in my first 10% tithe to this ministry and plan to continue to do so to advance the*

Kingdom. Thank you.

Pass It On

**A.** I'm very blessed to know that you are being fed here at Tsiyon. Thank you for willingly choosing, without ever being asked, to bring your tithe to Tsiyon to advance the Kingdom. Giving a tithe is a very Hebraic thing to do. Our forefather Jacob/Israel promised to give a tenth back to YHWH of all he received, saying: "Of all that You shall give me, I will surely give the tenth to You." Ever since then the children of Israel who choose to honor their forefather's promise to God are blessed as Jacob was blessed in giving their tenth back to YHWH. (Gen 28:22, Mal 3:8-12)

I pray for you in Messiah's Name, that even in the troubled times ahead, Yah will remember your faithful tithing and that He will continue to supply all your needs abundantly in good times and in bad. May you be a light for Him wherever He sends you and may He use you to bring forth fruit for His Kingdom. May His face shine upon you and may He give you His shalom.

#### **China WMDs**

**Q.** What is WMDs? I did read the article on China. I heard many times, but I am not familiar with or I don't understand what biochemical warfare weapons are or biological warfare weapons are? That China wants to use on the people in the USA. What are Bio-chemical warfare weapons?

**A.** Here is the short explanation of what the Chinese speech posted at our website is saying. First, let me define the terms you asked about. WMDs are "Weapons of Mass Destruction." That term refers to any sort of weapon designed to kill a very large number of people at once. Besides atomic weapons this includes biological weapons (specially engineered viruses, bacteria etc) and chemical weapons (chemicals that effect body processes to kill - poison gas, for example) and bio-chemical weapons which combine elements of both biological and chemical weapons. According to the speech, China is developing biological weapons that only attack non-Asians. By releasing these biological agents into the air, water or food supply of the USA an immediate epidemic would result that would kill millions of non-Asian Americans. The CCP goal of this plan is to de-populate the country - to kill virtually everybody. After that the CCP will invade to take the land. Pretty horrible, huh? The reason given in the speech is that China needs more land to sustain its growing population, which is approaching 1.5 billion people. They say that if they don't kill the Americans and take their land that Chinese people will die instead, which is their justification for the planned mass killings and invasion. This scenario is unlikely to happen in the near future, but later, could happen after the remnant have been returned to the Land. I have received prophetic messages in years past foretelling a Chinese invasion of the USA, which is why I found this speech worthy of consideration.

#### **Final Comments from Eliyahu:**

Have you ever thought of visiting with Dawn and I? We have listeners who come to see us from time to time. This week's program features an interview with one of our listeners who did just that. As you learn about his life, and why he came for a visit, perhaps you will relate to his experience. We enjoyed visiting with this brother and I know you will enjoy hearing from him too.

Blessings to you and yours in Messiah's Name.

Shalom,

Eliyahu ben David
