Tsiyon Answer - Bill, I know this is hard, but God is refining your life and making you a better man - His man. I pray His blessing into your life. I pray that He may supply all your needs and far beyond merely your needs. May He fill you with all the fullness of His Kingdom. Be a witness to the poor. Be a father to the fatherless. Be a comfort to the oppressed. Give them Hope. He is coming soon and every eye will see Him, and those who pierced Him. We are humbled now that we may share in His glory then. Believe it. [Friends, please join with me in prayer for Brother Bill.]

Listener - I just want to thank you for all you are doing for me and my wife through your messages that you get from God. These messages make reading the Bible exciting and the understanding I get makes my heart rejoice. I can't get enough of your teachings. I am not very well educated, but I feel the Lord is teaching me through your program in a way that I can understand. I look forward to getting home from work everyday and getting on my computer to learn more of God's Word. My dream is to one day do more for God's people. I have never been this driven to learn the Word before. Thank you for yours and Dawn's dedication in sharing your ministry with others. I hope to be able to meet you someday, my brother.

Tsiyon Answer - You're welcome! It blesses me to know that you and your wife are being blessed by our Tsiyon messages. Nothing makes me happier than to hear that listeners are excited about the Scriptures and are growing in understanding of our Father's Word. Don't worry if you don't have a great formal education. What is more important is that you have a heart that is receptive to the Word of the Kingdom. That heart attitude makes it possible for Messiah to impart the mysteries of the Kingdom to you. As you receive from Him in due time you will surely bear much good fruit. You are getting a Bible education that is equipping you for Yah's plans for your life. In days ahead you will have opportunity to realize your dream of helping God's people, because you are diligent about learning His truth each day.

Concluding thoughts: I have just a few things to briefly share. The first is about our Sons of Tsiyon Meeting this last week. It was great! We have a wonderful group of men who are not afraid to share with other men. If you are already signed up for this, these phone conference just keep getting better, so don't miss them if you can help it! Brothers who are not signed up yet still can. Also, the Daughters of Tsiyon are really blessing the ministry through prayer, as shown by the new stations coming our way. Way to go ladies!

Have you noticed our new **Feedjit** widget on our website? It is at the lower left sidebar. It shows you where some of the most recent traffic at the website has come from. You can take some interesting links there that give you a fuller breakdown of the web traffic visiting the website. This is a lot of fun, but it is also a bit alarming for some visitors who are worried that they are being tracked on the internet. The first thing I want to tell you about that is that you can change your apparent location just by clicking a link on the widget under "options." For example, if you change your location to "North Pole" the widget will show you as having come from the North Pole. That way your actual location will not show up. Now you know how to easily defeat the widget if you want to. So how does **Feedjit** work? Actually, your location and some other information is logged for EVERY WEBSITE YOU VISIT on the internet by whatever server is serving out the pages you visit. Feedjit merely shows that logged information to site visitors. If you don't want your information logged at websites you will need to use internet-wide [counter-measures](#).

This week's program gives you insight into the Pale Horse Rider of Revelation 6 that you will not find elsewhere. This involves an atomic war in the Middle East in which millions of Israel's Islamic enemies will be killed. While we all wish this carnage could be avoided we must face the truth that it is prophesied in Scripture because it "must happen." One day you will be amazed to see this actually reported in the news. Learn about it before it happens in this program!

Let us remember these words of Messiah; "Let not your heart be troubled. Believe in God. Believe also in Me." John 14:1

Blessings to you and yours in Messiah's Name.

Shalom,

Eliyahu ben David
