Defeat of Gog of Magog

It shall happen in that day, when Gog shall come against Eretz-Israel, says the Lord YHWH, that My wrath shall come up into my nostrils ... I will magnify Myself, and sanctify Myself, and I will make Myself known in the eyes of many nations; and they shall know that I am YHWH. Eze 38:18-23

Thoughts from Eliyahu ben David:

Let me start by saying, this week's program is one of our all-time favorites. It really gets me revved up to think on how YHWH plans to magnify His own Great Name by what He is planning to bring on Gog of Magog! If His Name is important to you, then you have got to love this program.

Now, some important news about Tsiyon Radio.

The Tsiyon ministry is moving to a whole new level. As this email is going out Tsiyon Partners are arriving from far and wide to participate in our special 2nd month Passover celebration. It is a huge thrill to meet beloved brothers and sisters whom we already love and admire through online fellowship! We are filled with anticipation to see what YHWH will do in our midst as we get together face to face to honor Him. We will give you a full report in the next newsletter.

Here is another thing that indicates a whole new level at Tsiyon: Our new book on Revelation has been released and is now available at [Amazon](#) and other stores. The Title of our new book is: [The Messianic Revelation Series V.1. Announcing Judgment Day](#). The truth is, the book was available much quicker than we had anticipated. For that reason we had not yet done much to make people aware of the book, except on our own radio program. We did have a pre-release of the book at the [RevelationSeries.com](#) website along with a free sample from the book for download, which download is still available there. However, we thought we still had time to get serious about advertising the book after our 2nd month Passover. In fact, we hadn't even finished creating the book's website yet when the book appeared in stores. Stephanie, the [RevelationSeries.com](#) webmaster, has been knocking herself out to get the site up and running, especially ever since she learned the book is already out there! The truth is, the book was already in circulation for more than a week before this newsletter, announcing it's availability!

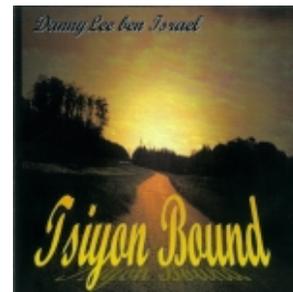

Well, you can imagine our surprise when the book was out before we could get to work publicizing it. We were a little concerned that we had missed the chance to give the book

a big push to get it rolling when it first came out. However, our concerns about that soon turned to amazement as the book immediately began climbing in the Amazon Sales Rank. [Amazon](#) sells over 6,000,000 books. Essentially, Sales Rank is based on how many books are selling better than the book you are tracking. The lower the Sales Rank the better. A book with a Sales Rank of 3,000,000 would be the average book - with 3,000,000 books selling better and 3,000,000 books selling worse. Usually, because of competition from the big boys, it takes a big budget advertising and/or major marketing effort to place in the upper Sales Ranks. I would have been extremely pleased to achieve a Sales Rank above 3,000,000 in the first week, which would have put my book above average - especially having missed the chance for a big push at the beginning. To make a long story short, from the first moment it was available the book began to trend upward. On the 7th day the book's Sales Rank peaked in the 18,000 range. That's in the upper part of the top 1% of books sold on [Amazon](#)! Dawn and I are both still amazed. There is no explanation for this immediate success except one: YHWH is drawing people's attention to this book. This is just the kind of help we need to reach the remnant!

This puts me in mind of what happened at the Red Sea Crossing, about this same time of year. As the children of Israel were blocked by the Red sea on one side, while the armies of Pharaoh were bearing down on them on the other, Moses told the anxious Israelite multitude: "YHWH will fight for you, and you shall be still." As they all found out that day, it is an awesome thing to be still, and see what YHWH can do! (Exodus 14:14)

Here's the new book:

YHWH is now rising up to act on behalf of the remnant of Israel once again. The reason why is in this book. Be encouraged, be still, and see what mighty acts He will do to fight for you!

Shalom,

Eliyahu ben David
