### Listener Feedback

## Red Horses of Zachariah?

**Listener Comments:** *Eliyahu, I wanted to give you an update on my first month. Wow ,what a month. I am now on show 11, The way of the Pharisees. I also finished your first book in the Revelation series. I can't tell you how much I have grown in the first month. It is so neat to share with my "church" friends, and anyone else who will listen, about Yeshua's family ,and the purpose of John the Babtist. The scriptures are coming alive, more so everytime I read them . By the way I have a question on the Red Horse. It seems interesting to me that it has the power to remove the peace from the Earth. Exactly what was found in Zachariah to be a problem when the Horses reported back to the Angels. It seemed to me as though the Angels question, regarding the peace in the Earth as a problem ,finally comes to an answer or conclusion with the Red Horse. Either way I can't wait for your next book in this series. I have grown alot this month .And I can't wait for the next month.*

**Tsiyon Answer:** Your observation about the Red Horse and Zachariah is excellent. Yes, the Red Horse does address the "problem" of peace in the earth while Israel is scattered. Thanks for the update. It's amazing how much you have taken in from the Talmidim program in just 1 month!

## Trinity?

**Listener Comments:** *I have very much enjoyed the messages I have heard so far. Please tell me that you do not hold to the Roman, non-biblical concept of the Trinity, which I have tossed out because it isn't in the Bible, New or Old Covenants! Thank you.*

**Tsiyon Answer:** *Our current programs are dealing with the issue of the pre-existence and divinity of Messiah, and related issues. As our programs are demonstrating beyond question, this concept originates in the Hebrew Scriptures. While the trinity tries to express some of this, it fails on a number of important points. For example, it does not reflect the true relationship of the Father and the Son. Rather than explaining Elohim by some man-made formula, we prefer to see Elohim as presented and revealed through all of Scripture.*

## Thoughts from Eliyahu ben David:

Isaiah was an amazing prophet of YHWH who saw the immediate future for Israel of his day, but also the coming of Messiah in GREAT DETAIL to come some seven centuries later - and events after that for another 3,000 years! The Q Scroll of Isaiah brings new clarity to this prophecy, while the [Isaiah Targum](#) reveals what mainstream Judaism understood about this prophecy well before Messiah came the first time. It turns out that the Messianic prophecies quoted in the "NT" are quoted entirely in line with how mainstream Judaism had already interpreted those same prophecies! This week's program delivers the history and history in advance of Israel. Listen, and know what is soon going to be happening in our day!

Blessings and shalom in the name of Y'shua Messiah,

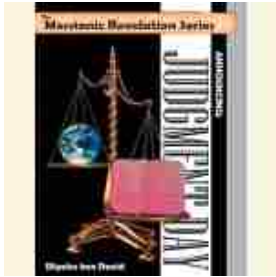

Eliyahu ben David
