### *Listener Feedback: Part of the Kingdom?*

**Listener Comment:** *I am learning things about the Davidic kingdom and other subjects I have not heard about in the mainstream church. If I am not an Israelite/ or of Jewish nationality, would I be part of the nations going up to worship or part of the kingdom? (as a believer in Yashua). Waiting with anticipation for your 2nd book and sharing what I am learning with friends.*

**Tsiyon Answer:** Thanks for writing. We are so glad to have you with us as part of our Tsiyon family! To answer your question, if you are not a natural Israelite but are an overcoming believer in Messiah Y'shua then you are "grafted in" to believing Israel. That means that you share the same hope of ruling in the Messianic Kingdom with Messiah.

You can read more about that [here](#).

**Thoughts from Eliyahu ben David:**

We are excited about adding two new radio stations to our lineup, starting this week! If our program is not yet in your area why not contact your favorite local station and ask them to carry it? Radio stations are always very responsive to the local listeners that ultimately pay the bills. Speaking about bills, our program this week is amazingly practical on the topic of economics. I think you will enjoy hearing me interview one of our Tsiyon Ministry Partners who is in a unique position to explain how he and his family broke free from economic oppression. As a Bank Manager, he could not have been more deeply entrenched in the economic system. Now that he is free of that, he is telling us exactly how the banks and other segments of the system **DELIBERATELY** enslave the unwary consumer into economic servitude. This inside look will give you the chills - and point you to real freedom. Don't miss it!

Blessings and Shalom in the Name of Y'shua Messiah,

Eliyahu ben David
