**Listener Comments on First Mix of "Way of Righteousness"**

**From Blue Rooster -**

The claim of the Jewish sects of Yeshua's time over who had the correct knowledge of salvation was very informative.

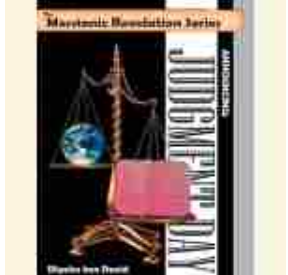

- [Denice Newton Interviews Eliyahu ben David #192](#)

The best part was seeing how the Davidic lineage, the Nazareans Took the Torah, understood the sinful nature of man and taught the way of righteousness. Intimate personal fellowship with YHWH and trusting him to teach us everything. A righteous way of living by embracing YHWH in everything we do in life and having all trust in him.

As I read, re-read and listen to these programs. I find that more of my agenda to find out how to be obedient to YHWH changes. I had a mission that I thought I was on to discover the mysteries of the Word. Mysteries that the Greco-Roman mindset couldn't understand. Mysteries that have had for the most part an understanding through out the ages in the Hebrew world. So I am finding that they are not mysteries just lost teachings that the churches forefathers didn't want us to have, a separation from Israel.

On this mission Yeshua has opened a big adventure for me of a world, a people, and a way of life that I have been living in parallel with and didn't even know. Which brings me to a verse from 1 Corinthians 13:12 For now we see in a mirror, dimly, but then face to face. Now I know in part, but then I shall know just as I also am known.

Our Israel Site

Thank you Creator of the Universe for seeing my struggle in the muck and the mire. You came to my rescue and have lifted me. All praises from my heart shout out to you.

Draw these people who come across the website tsiyon.org to visit. May they be blessed as I have been. May they encounter You and be blessed as they bless You. Amen

**From PraiseToYah** - Thank you Eliyahu for elaborating on the importance of reading and meditating on the Torah as well as having a relationship with Yeshua. This is an endless topic of debate in my family where some feel that Torah is not necessary - only a fuzzy relationship with Yeshua that is based upon Gnosticism. Also of importance is the need to have proper teaching from the remnant of Israel from a Hebraic perspective, i.e. from those in the lineage of David, as David and his descendants are the only group of people that truly have a covenant with Yah to perform this function.

Pass It On

**From Shix** - Doesn't it seem logical that translation difficulties would change *Jesus of Nazareth* from *Yeshua the Nazarean*? Simple statement of location instead of the example of Yeshua following the Davidic Covenant. I am perplexed that the men of God can not grasp what seems to be obvious truths. What do they teach at cemetery (seminary)? We delight in Yahweh's law, an intimate relationship with Yahweh will flourish when He illuminates our path and makes Himself known to us. The way of the Nazareans is set apart for our love, reciprocal! God Bless!

**Thoughts from Eliyahu ben David:**

There is a Way that leads to destruction and a Way that leads to life. What is the difference between these two Ways? This week's program answers that question.

Blessings and Shalom,

Eliyahu ben David
