Listener Feedback

Listener Comment - ..About Radio Advertising and Truth

I am responding to questions that have been brought up from the news letter and the last meeting. I hope it is OK if I say what was in my heart about it? The question about sponsors for the program? I feel that if there is remnant that would want to sponsor and it has been prayed over ..to get the OK from Yah, then why not? The question concerning the web site on how to make it better? ..I think an added private link to communicate would be nice. It would be nice to have a place to bring up questions and share more. Maybe share photos and blog/chat...things like that would be a good way for us to get to know one another on a more personal level. I know for someone like myself that has no others that believe as we do it gets so lonely. I can't tell you how much you all mean to me and how I just wait for the next program to come out. I search out other [ministry's] programs sometimes in between and some are ok... but it does not compare. When your soul is seeking to be fed only the truth of Yah's Holy Word - nothing else will do. I know His truth has already been down loaded into my heart and as soon as I hear it with my ears it confirms it. Your program is the only place I have found His truth, other than the Lord Himself teaching me. May Yah guide and direct you in these matters... in Y'shua's name I pray.

Listener Comment - Listener Sees Scripture Fulfilled at Tsiyon. *Okay I have to tell you this because I thought of you Eliyahu when I read Jeremiah 16:14-20.*

God Will Restore Israel

14 "Therefore behold, the days are coming," says the LORD, "that it shall no more be said, 'The LORD lives who brought up the children of Israel from the land of Egypt,' **15** but, 'The LORD lives who brought up the children of Israel from the land of the north and from all the lands where He had driven them.' For I will bring them back into their land which I gave to their fathers.

16 "Behold, I will send for many fishermen," says the LORD, "and they shall fish them; and afterward I will send for many hunters, and they shall hunt them from every mountain and every hill, and out of the holes of the rocks. **17** For My eyes are on all their ways; they are not hidden from My face, nor is their iniquity hidden from My eyes. **18** And first I will repay double for their iniquity and their sin, because they have defiled My land; they have filled My inheritance with the carcasses of their detestable and abominable idols." **19** O LORD, my strength and my fortress, My refuge in the day of affliction,

**The Gentiles shall come to You
From the ends of the earth and say,**

**" Surely our fathers have inherited lies,
Worthlessness and unprofitable things."**

In verse sixteen is what hit me. So correct me if I am wrong but isn't this a positive statement. Because right before this verse YHWH is talking about the remnant. Since He is stating that He will bring them back to their own land then this means to me a restoration process. So YHWH is talking about restoring the remnant and He will have many fisherman.

You are the first person that I know that really stated that you are looking for the remnant. You weren't talking about the blood remnant but the faithful remnant. The ones that were faithful to Messiah and who were grafted into the olive tree. So when I read this I thought of you because you have been fishing the banks, the shallow parts, the deep parts, the weeds and the brushy piles. You cast the line and Yahshua set the hook! Because of your faithfulness in obedience to Yahshua the Messiah many have indeed said "our fathers have inherited lies, Worthlessness and unprofitable things."

I hope I haven't taken these scriptures out of context but to me they spoke to me. But if I have please let me know. I do see other things in these scriptures of YHWH's wrath but I also see His second chance Love to those who believe.

Hope this email blesses your day because it blessed mine when I read it! It was like looking at scripture that I personally witnessed happening in the ministry that YHWH has you and Dawn in.

Thoughts from Eliyahu ben David:

Sometimes the feedback we get from some of you, our listeners and partners, is rather humbling. We don't always know exactly how to respond to comments like those above, except to say that we appreciate you, and we will continue to do everything we can in Messiah's power to keep meeting the spiritual needs of our listeners. YHWH is so good and He is doing a special work today with His remnant people. We are all in this together! May He lead us and guide us together into His perfect will, that He may be glorified in His people.

Blessings and Shalom,

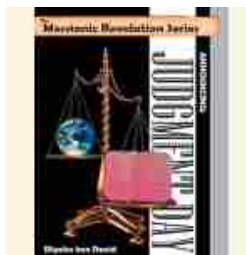

Eliyahu ben David
