Listener Feedback

Listener Comment - ..out of Babylon

Shalom my dear Brother Eliyahu & Dawn, I just love your ministry! All day long I have listened to your messages. I listened to "Passover Deliverance" #221. All of a sudden I just began to weep loudly (I was home all alone) so I was able to really let go! I am so grieved by so many of my friends & loved ones who are stuck in the Greco-Roman church. I want them to come out of Babylon come back to the Hebraic roots of the faith! I am so amazed that Yahweh has brought me out of Babylon! Why did He choose me out of over 6 billion people? Praise to His Glorious name! Hallelujah! I feel like weeping every time I hear your theme song! I am so thrilled to be partner with your ministry! I hope to meet you one day soon!

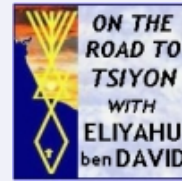

Tsiyon Answer - ..out of Babylon

I've been reading your emails and am thrilled to see the joy you are experiencing on hearing His truth. Dawn and I are humbled and blessed to share what He has chosen to release through Tsiyon. We are grateful to you and each of our partners who support this mission, helping us to get the Tsiyon message out. Your gratitude toward YHWH for calling you out of Babylon reflects how many of us are feeling. We have good reason to feel grateful. So many people today are languishing in dead religion, consigned to a boring diet of stale leftovers, if they can get even that. Truly, the words by the prophet Amos have come true: "Behold, the days come, says the Lord YHWH, that I will send a famine in the land; not a famine of bread nor a thirst for water, but of hearing the Words of YHWH." In this day there is an overload of information everywhere - but Babylon is in famine when it comes to the true "Words of YHWH" today. (Amos 8:11)

All the more amazing that in the midst of this spiritual famine His remnant feast on a copious banquet of delectable spiritual meat, sent forth from the Throne to make us powerful in Him! This, brother, is why He has called you out of Babylon. ..This is why He is feeding you as a warrior of the Kingdom. It is because there is a great mission before us here at the end of the age, and He is calling out His remnant to take up that Kingdom work! You are called out of Babylon because you are meant to be a part of something BIG. Believe it ..and get ready!

Listener Comment - ..Jewish Surprise and ..the tithe?

I cannot express how grateful I am for your broadcasts. I was 46 years old when I found out my father's family is Jewish. I remember him celebrating Passover by himself but I didn't know what he was doing. Through your programs I am learning about who I am. Thank you. I am wondering if you have spoken about the tithe. I always give 10% of my income to the Christian church I attend. I have always felt there was more to it than that. The church doesn't say much about tithing. I would be grateful if you could direct me to a greater understanding. Shalom.

Tsiyon Answer - ..Jewish Surprise and ..the tith

Thank you for writing. I'm very happy for you, to hear that you are learning about your family heritage. It is a blessed thing to learn more about who YHWH truly knows us to be. Thanks for your question about tithing. We haven't done a program on that, but I gave an extensive answer to a listener about this last year. That answer is included in a Newsletter, which you can access online here:

Listener Comment - ..Holy Time

Thank you - I have Holy Order Restored - I'm about 20 pages into it. The book I want [next] is "Holy Time". The concept of a lunar Sabbath is sort of "driving me crazy". I've been yelled at and condemned for not accepting a lunar Sabbath - just because the teacher taught it (this was a bit of a turn off). The truth remains that I am a seeker - I've read the introduction to your book and I just appreciate the non-condemning way you teach. I hear the merits but I just have to have something I can study in the quiet of my own home - I'm sure you know, it's quite controversial. Please let me know if you can help me get a copy. Thanks

Tsiyon Answer - ..Holy Time

I'm sorry to hear someone has treated you badly regarding the lunar Sabbath. It seems that in every movement there are those who get a bit carried away with themselves. We are here for seekers such as yourself and we welcome careful study of our material. There are two ways to get the book, *Holy Time*. If you sign up with us as a partner you can download it at no additional cost. You can sign up for as little as \$12 per month and cancel at any time. The other approach would be to send a donation (we suggest \$20 or more to cover all costs) and we will send you a paper copy of the book. Send to:

Thanks for writing and may YHWH bless you!

Listener Comment - ..Print Holy Time?

Am I allowed to print the (Holy Time) book or would you prefer that I order the book from your website? Thank you!

Tsiyon Answer - ..Print Holy Time

Thanks for writing. You may print the full length book for personal use. The sample is ok to give away to anyone.

Thoughts from Eliyahu ben David:

All of our hopes for our eternal future are wrapped up in the literal bodily resurrection of Y'shua Messiah. As Paul says; "If Messiah has not been raised, your faith is vain; you are still in your sins." This is why the testimony of those who were eye-witnesses of the risen Lord are so very important to us - because in His resurrection is our resurrection as well. On that score, we have nothing to worry about, as our current program makes clear. Listen and be built up in your faith! (1 Cor 15:17)

Blessings and Shalom,

Eliyahu ben David
