Website Listener Comment - From Dottie

Your program is an actual answer to prayer. These are the first programs I heard, "Signs in the Moon" and "Signs in the Sun." They were excellent, and a Blessing and encouragement. I heard the ending of your radio show on WWNL in Pgh., and wrote down your website. God is Good. I will pray for your ministry. Thank you, and God's Blessings to you in the Name of Jesus.

Website Listener Comment - From glendue

Dear Friends in Yeshua, When I first joined the Yahweh's Messianic Movement in 1998, it was like I had come home to Mom's cooking after a very long absence!

When Yahweh brought me to Eliyahu Ben David's website, it was like coming home to Mom's cooking all over again, however, this time the food was very well prepared and the flavor was heavenly! At the end of the main course, there was desert! The desert was listening to the next program! My life has been forever changed because I am finally beginning to gain weight spiritually! Praise Yah!

I had been crying out to G-d to send forth a prophet, to bring me to a higher level faith! I wanted "more truth" and "more revelation"! I was done with "playing synagogue" I desperately needed to understand ALL things from the Word of Yahweh from a TRUE Hebraic perspective! On March 14 I came across tsiyon.org when I "Googled lunar weeks" under the direction of the Ruach Ha Kodesh and my life changed forever! Immediately, I accepted the truth about the lunar calendar! Praise Yahweh for His Wonderful ways!

Last Saturday morning I listened to "Signs in the Moon". I could hardly contain the waves of rejoicing that came over me! I have listened to the program two or three times since that day! I told many people about what was coming and to look for the soon coming "Signs" in the moon. Sadly, most of them just turned away because they could not/would not understand!

Two weeks ago my sister Evelyn gave me a book written by a Canadian author Pierre Berton; "1967 The Last Good Year" bound with a red book cover. The graphic artist had used a very large font for: "1967", the numbers covered most of the book cover. At the time; my sister was very insistent that I take the book with me, it seemed very strange to me at the time!

However, I said, "Well, the Lord must have a reason why he wants me to have this book! (I had not yet listened to Signs in the Moon) There must be a message that he wants to get across to me through this book, so I agreed to take it home with me.

This morning when I got up, had my 1st cup of coffee in our sitting room, the cover of that book hit me square in the eyes: "1967" The Last Good Year!"

I knew instantly that Yahweh wanted to confirm that was the year that Yeshua was talking about in Luke 21:21! :) I was so excited! Oh how I love Eliyahu & Dawn for their faithful ministry!

I can hardly wait to send them my tithe! I believe Eliyahu is a man sent from G-d to straighten the way of spiritual & religious confusion before Messiah's return! Amen!

From Eliyahu

I regret that I've run out of space for more website comments, they are all so great! Dawn and I are thankful beyond words for all of you whom YHWH keeps bringing to hear our message and participate with us in these truths. Your enthusiasm for the message is amazing! We will be looking forward to your comments on this week's program, which concerns some truly amazing signs in the sky. YHWH is marking out the timeline of His end-time program for us, and these signs in the sky, which only He could put there, confirm these notable times and seasons. Partners, don't miss the downloads included with this latest program. You are sure to find them useful.

As we consider His signs in the sky let this one fact never escape our notice: Seen as He intends, these signs reveal the unparalleled and all-knowing love, wisdom, justice, and omnipotent power of our Grand Creator. All things are under His absolute control.

As we consider the wonders that He has done may He be lifted up and glorified in the midst of His gratefully awe-struck people!

Blessings and Shalom,

Eliyahu ben David
