#### Listener Comment - Holy Time e-book?

Shalom. Do I have access to a Holy Time e-book somewhere on the website? Is there a book coming out in print?

#### Tsiyon Answer - Holy Time e-book?

Login then get your Holy Time book here:

[http://tsiyon.org/holy\\_time\\_free\\_book/](http://tsiyon.org/holy_time_free_book/)

We will be publishing an updated version of Holy Time as a hard copy eventually. Until then we have some of the e-books printed up at a local printer. No price *per se*, but you can include a donation to cover costs.

If you want one send an order to:

#### Listener Comment - Please do not stop!

Thank you so much for your current series, about space and the stars, etc. Please do not stop! The timing of your shows were great. I was currently trying to prove that the lunar calendar does not work but then with the start of your program series about the signs in the sky it totally shifted my direction to something I think more important. Things have happened to me in the past month such as obtaining information and meeting people on this subject that only Yahweh could of made happen. Thank you for your work and please do not stop! If you do stop making more programs but will continue your research I would love to be on your email mailing list to receive any info/articles you find. Thank you - may Yahweh bless you and your family today.

#### Tsiyon Answer - Please do not stop!

Thanks for writing. I'm so glad to hear you are enjoying our current series of programs. We have more on this general theme still coming, so stay tuned.

**Listener Comment - Holy Spirit?**

*Did Yeshua need to be reborn, like us? If Holy Spirit is part of GOD head why is there no mention of a throne for him?*

**Tsiyon Answer - Holy Spirit?**

Y'shua did not need to be re-born like us in the sense that He was a man without sin. Nevertheless, He had a born-from-above experience when He entered into His mission by being immersed via Yochanan the Immerser(See Matt 3).

The Holy Spirit has no body but is, in that sense, like the wind - so needs no Throne in Heaven (John 3:8). Instead, the Holy Spirit inhabits the Father, the Son and everyone who is born-from-above, so occupies the Throne living in them.

**Listener Comment - ..a dark cloud?**

*Someone said that GOD appeared in a dark cloud. That He is also in the dark cloud. I searched all scripture and word search. Did not find anything. Have you found anything in that regard?*

**Tsiyon Answer - ..a dark cloud?**

Then Solomon said, "The LORD has said that he would dwell in a dark cloud.." 1 Kings 8:12 NIV

**Listener Comment - ..Love it, love it, love it!**

Dear Eliyahu and Dawn, I discovered your radio program, not by accident, for I truly believe that the LORD led me to it one afternoon at 2:00 pm - an unusual time for me to even turn on the radio to listen. Your program was just coming on, and when I heard that it was Messianic my ears perked up and I began to listen. What I heard made my heart leap, and I know you know the hunger that one can have after the knowledge of the LORD. Normally I found that some Messianic people tend to take you back under the Law, and I have avoided them, but the HOLY SPIRIT knew that I needed to hear what you are teaching. I can't tell you how excited, happy and with much anticipation look forward to every word that comes forth from your mouth. I do believe that this is exactly what the LORD has put me in search for for quite some time - concerning the transition from the Old to the New Testaments where the Jews are concerned. I feel the LORD showed me long ago that the Jews played a most important part in the end time scenario. This is the most glorious "find" since I have been saved because it completes the picture of the Jewish people, and how we all combine to make a perfect whole. It is too marvelous, and I can't get enough of your teachings, nor get it fast enough. I want to hear it all at the same time, and of course this is impossible .. I love what I have heard so far, and some of it has knocked me out of the box - but my spirit says it is TRUTH. Love it, love it, love it.

**From Eliyahu**

The movie, 2012, is an end-of-the-world blockbuster in which solar flares trigger global catastrophe on earth. While a catastrophe of that magnitude is not expected by scientists, conditions are converging for solar storms to occur around 2012 that could have an impact on our modern world far beyond anything we've experienced before. In fact, scientists have been having meetings discussing this very possibility. In this program we have up-to-date information you won't want to miss!

Blessings and Shalom,

Eliyahu ben David
