Your Kingdom Question

Your Kingdom Question is the name of a new radio segment from *Tsiyon Radio* that will answer *Your Kingdom Question* in a minute or two! These audio segments, no longer than two minutes each, can be salted through the program schedule of a radio station throughout the day with concise answers to the Bible questions of listeners. Simple questions are best for these 2 minute segments. Questions we've received already include such basics as "What is sin?" or "What is the Kingdom?" and "What did Messiah mean when He said..." etc. Through Hebraic based answers to simple questions such as these, many listeners will encounter our Messianic teachings for the first time. We hope this will prove to be a great tool to reach the scattered remnant. **We invite you to participate!** Call in with your Kingdom question by *Skype* or any phone **worldwide at 469-619-0876** or you can call **toll free n the USA at 888-230-2440**. You may also record your question and email us the sound file. However you do it, we want to put your voice on the air! Call in with your Kingdom questions today!

Listener Q + A

Listener Comment - 2 Moons?

I received an email that said Mars will soon be so close to Earth that it is going to look like there are 2 Moons in August 2010. Is that true? Is it a sign?

Tsiyon Answer - - 2 Moons?

Emails like this are being circulated this year as they have every year since 2003. These emails claim that Mars will be so close that it will look like the size of the Moon, as if we have two moons. While Mars was closer in 2003 than usual, it was not close enough to look like two moons. Actually, this is an ongoing hoax and will not happen - but feel free to look if you want to! ;-)

Listener Comment - NWO Info?

Do you think we are going to have any time to worry about the info in this book [about the NWO].. or do you think time should be better spend in trying to locate the lost sheep of Israel?

Tsiyon Answer - NWO Info?

The globalists are hard at work bringing in the New World Order - the one world government foretold in Scripture. While comprehending that fact is important, we must also realize nothing we do at this point is going to change that outcome. The greatest single work on Earth today is the gathering of the scattered remnant of Israel into a cohesive remnant nation obeying Y'shua Messiah

as rightful King. In crucial days ahead, that emerging remnant nation will offer the only viable alternative for mankind to the mark-of-the-Beast regime. For that reason, it is essential for the remnant nation to be raised up in advance of the rise of the satanically-energized, anti-messiah, one-world dictatorship that is now unstoppable headed our way like a freight train. Nothing can withstand that demonically charged impact but Messiah Himself, protecting His remnant nation then standing with Him. (Isa 34:8, Ps 91, Mal 4, Rev 12:17; 13 etc)

Listener Comment - 6-pointed star

I find this top picture very interesting, as [the star] is 6 pointed. I have never seen this before. This was taken by a relative of mine - around Joplin, Mo. Lack of a tripod, or any number of things could be the reason this turned out like this - but I just thought it was soooooooooooooo interesting. [Cropped to fit Tsiyon News]

From Eliyahu

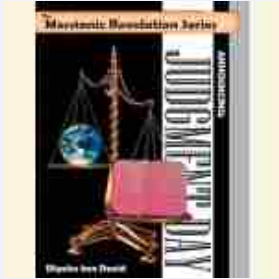

This latest program is actually a re-play of a Signs in the Sky program from our Revelation Series. This is part of the Signs in the Sky prophetic picture we are now exploring, we need to include this information too, and there is no point in re-inventing the wheel, right? The truth is, I think you will find this well worth re-listening to at this juncture, or if you haven't heard it before, you will be blessed to hear a unified presentation regarding the last great heavenly signs.

Blessings and Shalom,

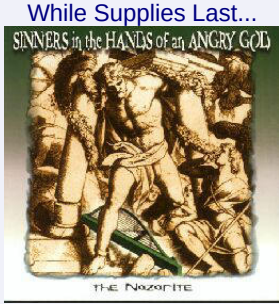

Eliyahu ben David
