Listener Q + A

Listener Comment - *WWNL Alternatives?*

Your approach to teaching, the Jewish perspective, has been an exciting boon to my understanding of much of the Holy Scriptures. Every day, I look forward to your radio program, and I have passed the word on to some of my friends. However, it seems that WWNL (Pittsburgh) will not be broadcasting your program until later on next year. Wow! This is a bummer to me, if you'll excuse the term. Is there any way that this situation can be remedied? Listening on the computer is a no go for me. It requires that I be in the same room as the computer, and I cannot often do that. Please tell me that there's a resolution. Is there anything that I can do to help?

Tsiyon Answer - *WWNL Alternatives*

We are always glad to hear that our program is helping our listeners to understand the Scriptures better. Thanks for taking time to tell us that the program is a blessing to you in your Scripture study, and also that you are telling your friends about us. We really appreciate that!

I'm sorry that our program will not be available on WWNL for a while. This is because our spot was pre-sold for a few months out of the year [to another broadcaster] even before we bought that slot. Radio can be kind of weird sometimes.

Anyway, we do have some different alternatives that might work for you in this situation. We have a ministry volunteer, Shelia, who is really great at helping people find a good solution

suitable to them. Please call at our toll free number: 888-230-2440 and ask for Sheila. I'm sure she can help you find the solution that is right for you!

Listener Comment - Because money tight..

Hi. I'd like to sow into your ministry. Because money is a bit tight right now I'd like to begin at Level 1. Is it possible to move up to other levels as my financial situation improves?

Tsiyon Answer - Because money tight..

Thank you, brother. You can start at level 1 and when you wish to upgrade simply subscribe at a higher level and cancel at the level you were at. You can go up or down like that whenever you wish. Whatever you are able to do at any time, we are really glad to have you with us.

Listener Comment - Egyptian moon god?

[The] Name could never be a pagan deity name like Yah ..Egyptian moon god .. If we were to use abbreviation, better use Yahu or Yeho since He commands us not to mention the names of other mighty ones at Shemoth 23:13

Tsiyon Answer - Egyptian moon god ..who?

Yah is a shortened form of the Name that originates in the Scriptures - I didn't make it up. For example, it appears 19 times in the Psalms alone. I'm thinking when people start correcting the Psalms perhaps they are getting a bit over the top. See below for the Hebrew word and it's definition.

H3050

יָהּ

yâhh

BDB Definition: ["J" sounds like "Y" herein]

1) Jah (Jehovah in the shortened form)

1a) the proper name of the one true God

1b) used in many compounds

1b1) names beginning with the letters 'Je'

1b2) names ending with 'iah' or 'jah'

Part of Speech: noun proper deity

As for Yah having the same name as a supposed moon god - you've got that backwards. Yah was here first and some demon or other [may have] decided to highjack His Name for himself. This is the sort of disgusting stuff demons do. That demon is nothing and is not worth my time to worry about. There is only One real Yah - the One in Psalms.

Additional Tsiyon note: It appears to be a deliberate offense against the true "Yah" that this moon god's name is translated using the same English spelling as the name of the True God. Phonetically the moon god's name is actually "yaeh" - which, having a long 'a' is not the same as "Yah" with a short 'a' sound. Also, the name is translated as "lah" in the *Papyrus of Ani* with an 'L' and no 'y' at all! Any supposed connection with YHWH thus comes off as entirely contrived. It appears to be yet another attempt by modern atheistic scholars to make our Great YHWH, Creator of Heaven and Earth, appear as one more mythical god from the petty pantheon of the pagans. This is nonsense, no matter how many letters follow the names of the people who call these lies "science" and then insist we all have to believe them. This is nothing more than lucifer, through his modernized and updated priests-in-labcoats, still pedaling his polished up porno-spam from his well-worn bag of tricks. It is beyond me why believers even give these kinds of baseless and brainless claims any traction. Believers, please, look at the label on all potential pseudo-science before you buy it. If it screams "made in hell" that's a pretty good indication where it came from!

From Eliyahu

Perhaps you can tell from my last entry above that I'm feeling kind of miffed today. No offense meant toward you, my dear readers and listeners. Actually, I just finished and uploaded my latest program. It's about lucifer (small 'L' on purpose) and it has left me feeling disgusted and angry. In this program, you will hear how lucifer's lies have even penetrated modern translations of the Scriptures - and this really has me steamed toward the people who have been his agents to accomplish this - and even more so toward those in position as the guardians of the gates who let the enemy waltz right in the front door. I know most Bible-believers read their "translation" of Scripture as if it is the Scripture as given. Sadly, sometimes it is not. The

pervasiveness of luciferic influence is so great today that it has even made its way right into modern Bible translations. Remnant brothers and sisters, we are fighting a rising tide of satanic influence on every front, but this.. the profane mixed right in with the Holy Word, undermining the very foundations of truth. This has got to be the worst. "If the foundations are destroyed, What can the righteous do?" (Psalm 11:3)

Wait a minute. There is something we can do! We can trust in YHWH. We can pray for wisdom and understanding of the truth. We can learn where these errors are entering in. We can tell others about them. And we can determine to be faithful and nothing like that lying bag of filth, lucifer.

Hey! ..I'm feeling better already! :-)

Blessings and Shalom,

Eliyahu ben David
