Silver Kingdom Shekels - Silver nearly doubled in value in 2010. If you ordered guaranteed 99.999% fine silver Kingdom Shekels about a year ago, when we introduced them, you are likely very glad you did. In that **one year** the value of **silver** relative to the US Dollar has **nearly doubled** in value. By contrast, dollars held in any bank account have **lost** value! The way to guard your savings, and be prepared for the future, is to hold silver. It's still not too late to act. As the value of your paper dollars decline, silver keeps going up, and is expected to rise as much as ten fold or more from present levels. Exchanging paper

for silver is one of the best things you can do right now, leading up to the collapse of the dollar. We think Kingdom Shekels are the best way to obtain silver. As one person who ordered them said: "I wanted to write and let you all know that the shekels are beautiful. We are very much impressed with the design and quality..." Find out more [here](#).

Listener Q + A

Listener Comment - *Rainbow Cruise*

Blessings to you every day and for the new year. My wife and I went on a cruise and tour in Canada and Alaska late Summer last year -from UK. It was to mark upcoming work changes that near -retirement brings. My wife always wanted to visit Canada but I was quietly hoping that Alaska cruise and the Rocky mountain tour would not be too 'worldly' a thing. We saw the rainbow through our cabin window and also 'out of the blue' turned up at a believers meeting held at the ships cinema theatre room, at which no leader turned up. We were able to participate and praise and testify of the Lord's goodness non the less. The beautiful weather we experienced showed up the Lord's creation wonderfully and we experienced many blessings.

Tsiyon Answer - *Rainbow Cruise*

Traveling to see Yah's beautiful creation in pristine areas of the earth is a blessing of which I'm sure you and your wife are worthy. As your testimony shows, such natural beauty lifts the heart of the believer toward heaven in awe and wonder, and moves the heart to praise our glorious Maker. Seeing His covenantal bow in the sky in that setting must surely have been magnificent. I'm glad you were able to have that opportunity, and that you could enjoy a divine appointment with other believers to praise Him and to testify of His goodness. It's also

good to note that we don't always need to have a human leader present to worship Him, especially when believing hearts are simply impelled to lift Him up to glorify Him. Our Messiah said "For where two or three are gathered together in my name, there I am in the midst of them." Apparently you did have a leader present - THE Leader - Messiah Himself! No doubt His blessing was with you and your wife in a special way on that trip, to strengthen you in the faith and to make memories with you that will last for the rest of your life. Thank you for graciously sharing your blessed experience with us. (Matt 18:20)

Listener Comment - Mass Animal Deaths?

What do you think is happening, all the birds, fish, crabs, now turtle doves in Italy today. Day 5 of creation, Yom Teruah, YAHWH is speaking, Repent, teshuvah...and people are scared or laughing and are fine. hmmm...

Tsiyon Answer - Mass Animal Deaths

Did you see this [map](#)? This clearly doesn't appear to be normal. Like a canary in a coal mine, these deaths may very well be early signs of much greater trouble ahead, in this final generation.

From Eliyahu

A number of our listeners have emailed us about the mass animal deaths that have been reported around the world as the world's new year began. This global anomaly has gripped the attention of thoughtful people everywhere. While the news media tries to explain this away as "normal" even some who do not accept the Bible are not buying the trite explanations, realizing that this global aspect is a new thing. And what about earthquakes, all within about a month of the new year? Look at this list of these major earthquakes sent in by a listener:

Dec. 2... 6.9 earthquake in New Guinea

Dec. 17... 7.2 earthquake on the CA//Mexico border

Dec. 20... 5.6 earthquake in El Salvador

Dec. 21... 6.2 earthquake in Sumatra

Dec. 21... 7.4 earthquake in Japan

Dec. 25... 7.6 earthquake in Fiji

Jan 2..... 7.1 earthquake in Chile

Jan 5..... 6.6 earthquake in Vanuatu in the South Pacific.
10 minutes later, there was another quake that registered 5.5

This many major earthquakes in one place after another over a period of only one month is normal? That's what the "experts" and the news media want us to believe. Here is the truth from our Messiah:

For nation will rise against nation, and kingdom against kingdom; and there will be famines, plagues, and **earthquakes in various places**. But all these things are the **beginning of birth pains**. Matthew 24:7-8

Friends, for more on the strange events being observed in nature in these days don't miss our latest program, *The Whole Creation Groans*.

Blessings and Shalom,

Eliyahu ben David
