New Silver Kingdom Shekel Strike - As the debt crisis looms larger, the picture is looking bleak for the value of the dollar. To meet the need that some Tsiyon Partners have been expressing, we have been blessed with availability of silver during this silver shortage, so will be minting a new strike of Silver Kingdom Shekels. We have been accepting orders and still have some availability left for this strike. We must close out this strike early next week, so if you want to order shekels as part of this strike, please get your order in. More on the [Silver Kingdom Shekel](#).

Listener Q + A

Listener Comment - "wonderful service"

Hi Everyone! I just wanted to say what a wonderful service you are providing here, may Yah richly bless it and I pray many more people are encouraged to become a part of Tsiyon.

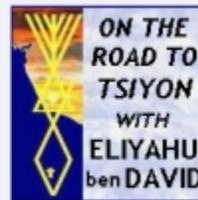

Tsiyon Answer - "wonderful service"

It is such a blessing to hear from you and how Yahweh has used Tsiyon to touch your life. Our prayer is that you will continue to be encouraged by the teaching of His Truth.

At our website, we have just started offering Live Chat where our partners and visitors can chat with a Tsiyon Volunteer. It is our service to be available in order to answer questions, give website assistance, and take prayer requests. One of our volunteers would love to hear from you if we can be of any assistance to you. [Answer by Tsiyon Help Volunteer]

Listener Comment - "just very shy"

Hi, I just wanted to say thanks for being such a wonderful, blessed teacher! You have really got my sister (who recently joined) very interested and she has already ordered Holy Order Restored and a Jewish/messianic Bible. She is listening like mad to catch up on the many

I'm glad to hear you are enjoying the teachings, and your sister too! This is great, because you can talk about the teachings together. No problem with being shy. We're just glad to have you with us. [Eliyahu]

Listener Comment - "church of Philadelphia"

I had one more question i forgot to ask. I love this live help. messiah judged his own first. In reference to Eliyahu book, Judgment Day.

The seven menorahs which are the seven assemblies located in Asia Minor. All seven assemblies were removed from their place in Asia Minor and yet the church of Philadelphia was found without fault. My question is two fold: Was their menorah removed? If not who do they represent today, when Messiah judges in the last days (now)? Are they the remnant or are they an existing church somewhere?

Tsiyon Answer - "church of Philadelphia"

Eliyahu's lesson that deals directly with this is #123 and the link is http://tsiyon.org/revelation_judgment_menorahs/

Yes, the Church of Philadelphia was commended at the time they were a Messianic assembly and not under the Roman Church system. Yeshua's promise of keeping them "from the time of trial" was for the Messianic Believers who overcome. In the above lesson, Eliyahu teaches that those in the current church system must come out of it as shown here:

"Come out of her, my people, that you have no participation in her sins, and that you don't receive of her plagues, for her sins have reached to the sky, and God has remembered her iniquities." Rev 18:4,5

Eliyahu goes on to state that:

"Overcomers escaping that doomed Church system of Babylon will flee to the one and only end-time light on a hill approved of by Messiah. Namely, to the Messianic remnant of Israel, soon to make its triumphant appearance on the world stage."

There were promises to the other churches as well, but the lampstand was removed after all of these churches fell under the Greco-Roman system. [Answer by Tsiyon Help Volunteer]

Listener Comment - "will these questions be answered?"

Shalom Eliyahu and Dawn, I listened to the program on Shabbat and chuckled as the hosts seemed to try and bait you on your viewpoint of the rapture. I also noticed that you didn't fully answer them as to who the white horse rider really is compared to what mainstream Christianity teaches. Will there be a continuation of this interview and will these questions be answered? Those still in Babylon need to know the truth without any sugarcoating but done in love. It is so obvious that these people believe there is a separate plan for the "church" and one for Israel while the scriptures teach that the only plan is for the redeemed of Israel that keep His Commandments and hold to the testimony of Yahushua the Messiah.

Tsiyon Answer - "just very shy"

Thank you for writing. I so agree with you that these folks need to understand the truth about Israel vs. the Church. I viewed the first interview as an opportunity to get across the introductory points I had in mind, rather than to get sidetracked into controversy that was off-topic for that evening. Since they had brought up the "pre-trib rapture" multiple times during the first interview I thought the same would probably happen again during the second interview, giving me an opportunity to delve deeper into the "pre-trib rapture" and the Church vs. Israel in my second interview. Unpredictably, they didn't bring up any of that even once in the second interview! It was a good interview though. I think better than the first, as YHWH was lifted up. You can decide for yourself how you like it, since I will be posting it on the 29th. [Eliyahu]

From Eliyahu

All of the "Listener Q + A" exchanges above have something in common. Can you guess what that is? Yes, every item occurred within our new *Tsiyon Help* system! You will notice that I answered some of these personally, as I always have. I will keep doing that as I am able. Others are answered by our friendly and helpful Tsiyon Volunteers. You might be wondering: what has prompted this new Tsiyon Help system?

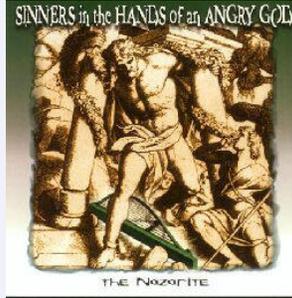

With the continued growth of the ministry Dawn and I together cannot personally keep up with all the correspondence generated by the ministry. This is a good thing, since it means that more and more people are learning the truth that we share here at Tsiyon. Fortunately, this growth was not unforeseen, since YHWH has raised up willing helpers around us who are very capable of offering helpful responses to our beloved Tsiyon listeners and partners! Now, the efforts of Dawn and I can be multiplied by Tsiyon Volunteers, to offer much needed help to answer many of these enquiries, whether through our new *Live Help* feature, or as part of our new *Ticket Response* system.

We are still working the bugs out of this new system, but already we are seeing a great improvement in our corporate ability to respond to your needs. If you haven't tried our new help system yet, do not hesitate whenever you need our help. While we want to help you with all sorts of technical problems, website help, information searches, ordering help, etc, we are also only a click away for prayer requests, study help, and other spiritual needs. The bottom line is this: Tsiyon cares about you and your spiritual needs and we are working hard to be available whenever you need us most!

Shalom,

Eliyahu ben David
