News - Silver Kingdom Shekelim Released!

New 1 Troy oz .999 Silver Kingdom Shekelim. Enlarged to show detail.

I foresaw the next phase of the global economic meltdown now underway - and frankly, it made me feel concerned for the economic well-being of all our families in the months ahead. That's why the Silver Kingdom Shekelim from Tsiyon has now been made available and is ready for its first strike. Personally designed by me, Eliyahu ben David, at one full troy ounce of .999 fine silver, it is the same weight as two Silver Kingdom Shekels. This provides an additional small savings on each ounce of any given quantity of silver rounds. With the value of the dollar dropping fast and precious metals headed through the roof, exchanging your 'play' money for real silver couldn't be a more timely move. Yes, you could just keep saving in the bank, but with the dollar losing 20% and more per year, money in the bank is just another form of robbery. Stocks? You've seen the headlines. Can you trust that? Gold is good, but its too

valuable per ounce for easy trading when the paper has collapsed. Owning fine silver, that's something REAL and its just right, being preferred for easy trade for thousands of years. The timing is right. Silver has already gained three times its value over the dollar since we started offering the Silver Kingdom Shekel. Experts say silver actually has more upside potential than gold.

Here's what I'm thinking. If you can, I want you to have silver in your possession for a rainy day. You've seen the storm clouds, right? OK. Right now we are taking orders for our first strike of the Silver Kingdom Shekelim. We are giving you a quantity discount based on the number you choose to order. We are also giving partners an additional discount over that. However, for this first strike only, we are offering an **additional 10% discount** on any quantity of the new Silver Kingdom Shekelim that you order. This is on a first come first served basis. Orders for this first strike must be in no later than August 25, 2011, so please order ASAP. Find out more [here](#).

Listener Q + A

Listener Comment - When is the End of Captivity for Israel?

In Ezekiel the ten tribes of Israel were given a judgment of 390 years of captivity. When was that up?

Tsiyon Answer - End of Captivity for Israel - 2008!

Reflecting the accepted dating, Wikipedia reports on the Assyrian captivity of Israel:

In 722 BC, nearly twenty years after the initial deportations, the ruling city of the Northern Kingdom of Israel, Samaria, was finally taken by Sargon II after a three year siege started by Shalmaneser V. [wikipedia.org, Assyrian_captivity_of_Israel]

The Scriptures report the events culminating in exile of the Northern Kingdom of Israel in 722 BC:

Shalmaneser king of Assyria came up against him, and Hoshea became his servant and paid him tribute. But the king of Assyria found conspiracy in Hoshea, who had sent messengers to So king of Egypt and had offered no tribute to the king of Assyria, as he had done year by year; so the king of Assyria shut him up and bound him in prison. Then the king of Assyria invaded the whole land and went up to Samaria and besieged it three years. In the ninth year of Hoshea, the king of Assyria captured Samaria and carried Israel away into exile to Assyria, and settled them in Halah and Habor, on the river of Gozan, and in the cities of the Medes. 2 Kings 17:3 HNV

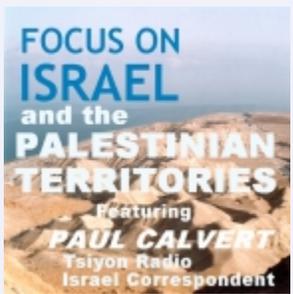

Then the king of Assyria carried Israel away into exile to Assyria, and put them in Halah and on the Habor, the river of Gozan, and in the cities of the Medes, because they did not obey the voice of YHWH their God, but transgressed His covenant, even all that Moses the servant of YHWH commanded; they would neither listen nor do it. 2 Kings 18:11-12 HNV

The dating of this history becomes very important, in light of the prophecy of Ezekiel regarding the time appointed by YHWH for the captivity of the Northern Kingdom of Israel, the "lost ten tribes." The prophetic office sometimes requires the prophet to act in strange ways to convey the Divine message. This is definitely the case for Ezekiel in Ezekiel 4. In this chapter YHWH tells him that he will prophetically act out the siege of Jerusalem. He is also told to act out the captivity of both "the House of Israel" and the "House of Judah" - each separately. He is to prophetically "bear the iniquity" of each, in affliction, deprivation and uncleanness, for "Thus will the sons of Israel eat their bread unclean among the nations where I will banish them." In this amazing prophecy Ezekiel is to prophetically "**lay the iniquity of the house of Israel on it**" for a specific number of days - **390 days**, to be exact.

As for you, lie down on your left side and lay the iniquity of the house of Israel on it; you shall bear their iniquity for the number of days that you lie on it. For I

have assigned you a number of days corresponding to the years of their iniquity, three hundred and ninety days; thus you shall bear the iniquity of the house of Israel." Ezek 4:4-5 HNV

Verse 6 goes on to give "a day for each year" as the prophetic multiplier. Thus, "the House of Israel" was given **390 years to be exiled, to repent and then be returned to the Land.** But wait, **Israel did not repent! What then?**

And if by these things you are not turned to Me (do not repent), but act with hostility against Me, then I will act with hostility against you; and I, even I, will strike you **seven times** for your sins." Lev 26:23-24 HNV

Because Israel did not repent, the Torah increases the punishment by a factor of seven!

390 years x 7 = 2,730 years of captivity exiled among the nations!

So, when is the exile of Israel up?

This is where we refer back to the date of the exile. That was 722 BC, remember?

2,730 years - 722 (BC) = 2008/2009 AD (Hebrew years span parts of 2 Gregorian years).

The Exile of the House of Israel was up in 2008/2009 AD.

This raises important questions.

If the Exile of the Ten Tribes was up in 2008/2009 AD then **why has the Second Exodus of the Israelite Remnant to the Land not yet occurred?**

To answer that, consider how the Exile happened. The Exile of the Ten Tribes came about as part of a process that began when YHWH withdrew His favor from Israel. This was definitely manifested about 740 BC when Reuben, Gad, and the eastern half-tribe of Manasseh were carried away by Assyria. Successive Assyrian waves carried away more captives until the process of exile was completed in 722 BC.

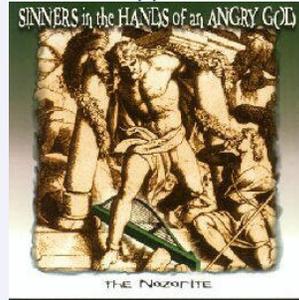

Likewise, **the Return must happen as a process. The process began in 2008 and is now underway.** That process started with acceptance by YHWH of the repentant Lost Israel and the return of His favor to them. This involves His awakening of them, followed by His gathering of them into a nation once again, while they are still scattered throughout the nations of the world. **The end of this process will see the Remnant of Israel returning back to the Land in one Great Exodus from the Exile as one great nation!**

All of this ties in to what I've been teaching for sometime. **In 2008 I prophetically announced that the 40 year judgment of the Church system that had begun in 1967 was up, that system was rejected, and YHWH was now turning His favor back to the Remnant of Israel. This favor toward Israel required His judgments against the nations, which we have been seeing increasingly since 2008.** The details of all of this were included in the Revelation Series of radio programs I first aired in the spring of 2008 and are also included in the book, *Announcing Judgment Day* which I wrote and published in 2009. **If you want to know the significance of the prophetic Shmita Year of 2008 I highly recommend that you consult the Revelation Series radio programs of 2008 and the book, *Announcing Judgment Day of 2009.*** I know these sources will help to put all this together for you.

From Eliyahu

In 2008, as explained above, the exile of the remnant of Israel was up - meaning it became time for YHWH to turn His favor back upon the remnant of Israel in exile, to begin drawing them back together as His nation. The flip-side of that reality called upon YHWH to begin judging the nations of the world which have oppressed His people in their midst. This is expressed in Scripture as the release of the four horsemen of Revelation. In 2008 those horsemen began their ride, and we have seen the nations reeling as a result. While these increasingly unstable times can be difficult for all of us, His people can rejoice, because He means good for them and not harm. Through the chaos we are being gathered out of the nations, and in due time, He will take us home. Will we face trials first? Most assuredly. But don't worry. Do what you can as you can, stay close to Him, walk in His ways, trust Him completely, and
