## Stepping Up in Thailand

From *Wildman Dave* (Tsiyon Promo and Media Dept)

Hi E, here is the email that I received from our dear sister in Thailand. If you can put this in the newsletter this week as an encouragement to our other partners that would be great. This letter really touched my heart and I have so much love for Yahweh's people. In some ways I think I'm becoming a little softer... that's a good thang. :- ) LOL

*Dear David, ..As I talked with the Lord yesterday I felt an urging to step up my meager efforts in Thailand. Before I do anything, I would like to check it is ok with Eliyahu and yourself.*

*I have to try to distribute the message here, it is not an easy task as so very few people can speak any English, let alone enough to listen to E. Nevertheless, YHWH can overcome any of these minor obstacles and I know He is telling me to step up the game. I have thought that I could not simply advertise Tsiyon in the classifieds etc all over the country, but take it one step further and offer to send people MP3 CDs if they contact me.*

*I have set up an email address that both [my friend] and I can access and we will fund the cost of producing and mailing the CDs/PDFs/business cards etc within South East Asia. We are going to look at possible publications within the next couple of days.[My friend] is going to help pay for this. I don't know what response we will get, I pray YHWH will raise up some men here who can help take things forward. I pray our Father can send us at least one committed fluent English speaking Thai. It needs to be a Thai, not a foreigner with a dodgy accent like me! Thais are incredibly nationalist, it will not be easy here but Yahweh can do it. Please pray for us brother.*

The email address I have set up is [thailandtsiyon@gmail.com](mailto:thailandtsiyon@gmail.com) I will not misrepresent the ministry in anyway, I will always refer people to the website, this is just a place people [in South East Asia] can email for copies of CDs. If there is anything else I can do, please let me know.

I always wondered why I was in Thailand, I gave up a very stable and incredibly worldly lifestyle to move here, I have my answer now. Being of the remnant of Yehudah, I must step up. Yah has told me so. All fear must be cast aside as we go onwards dear brother. Not long until we are in Tsiyon, but so much to do first.

### Listener Comments - encouraging word

[Text message] Shalom E and Dawn I'm sorry to hear about the trials u r facing right now but I'm also encouraged as well bcuz of the way YHWH continues to prove that ur his seed and this is only making u even more refined don't give up the fight OUR FATHER is WITH U and may he continually establish ur family and ministry. I had a vision that I wanted to share but I didn't out of fear but I was studying the torah and suddenly I saw a man standing at an alter dressed in white and he was dressed as priest from head to toe I only got to see briefly what he was doing but it has always puzzled me can u help gain a better understanding thanks and I recently purchased announcing judgment day love what YHWH has established in revelation thanks may yah bless

### Tsiyon Answer - encouraging word

Thank you for the encouraging word. While I was reading the story of your vision I got the sense that what you saw was Y'shua as your High Priest ministering on your behalf in Heaven. This may have been as reassurance of His favor in the direction you have taken, studying and following the Torah. Indeed, our High Priest is the Living Torah who actually completes the Torah for us. As it says in Hebrews:

Having then a great high priest, who has passed through the heavens, Yeshua, the Son of God, let us hold tightly to our confession. For we don't have a high priest who can't be touched with the feeling of our infirmities, but one who has been in all points tempted like we are, yet without sin. Let us therefore draw near with boldness to the throne of grace, that we may receive mercy, and may find grace for help in time of need. Hebrews 4:14-16

### Listener Comments: YHWH's plan unfolding

Shalom Tsiyon Ministry!! We spoke with you guys a few months ago (shortly before the fire) and have kept you in our thoughts and prayers during your trial. We have been listening to many of your programs and have read the books Holy Order Restored and Judgment Day. We wanted to tell you thank you for all of your hard work and commitment to tending to the sheep and getting the Truth out to folks!!

We have been truly blessed by your teachings and sincerely feel the Ruach's presence and leading in this ministry and the messages!! Praise Yah!!

We know YHWH is working in your lives/ministry and we have been eagerly awaiting the message of the direction you feel the ministry is being led due to the recent circumstances from the fire. It is truly amazing to see YHWH's plan unfolding before our eyes - and we most certainly want to be apart of His plan!!

We would like to sign up for the Talmidim program and the Mission Partners and see if there is any way we could be of help to the ministry.

Again, thank you so much for your efforts and we look forward to getting to know you all better!

"Your people [will] offer themselves willingly in the day of your power, in holy array." Psalm 110:3a

Be Prepared

Pass It On

If you know someone who would like to receive this newsletter, please forward.

From every quarter, whether by email, letter, phone or in person, Yah's people are stepping up and willingly offering their help to get the Tsiyon message out! In fact, we have a non-stop parade of visitors coming to see us at our headquarters for the next two months - all focused on working with Tsiyon in one way or another! You have heard the command to "Go!" - and you are stepping up!

So what's next?

Listening to you. Meeting with you. Allowing YHWH to place each one in the right place, all of us in "holy array" i.e. set-apart order, in united service to the King, Y'shua Messiah. While this divine ordering is under way we continue to focus on the message of Ezekiel. We will consider where we have come from and where we are going. And we will get ready to participate together in prophecy fulfilled - for our Father's glory.

Shalom,

Eliyahu ben David
