### Tsiyon News - Silver Kingdom Shekel Order

This is a good buying opportunity for silver right now. We are putting together an order for Silver Kingdom Shekels. If you want to get in on it, just click the picture of the Silver Kingdom Shekel above.

### Listener Comments - *Spiritual marriage?*

A question: Is every physical marriage also a spiritual marriage. Or perhaps ... is every spiritual marriage a physical one?

### Tsiyon Answer - *Spiritual marriage?*

The Scripture says that a man becomes "one flesh" with a harlot (1 Cor 6:16). This tells us that every physical marriage is not necessarily a spiritual marriage. What makes a spiritual marriage is when that marriage is created by Yah's will and for His glory, whether also a physical marriage or not.

### Listener Comments - *Serpent Seed?*

I have a friend that has said the serpent had sex with Eve in the Garden of Eden, and that is how Cain was produced. Where would this idea come from?

### Tsiyon Answer - *Serpent Seed?*

The "serpent seed" doctrine has been around since the 1930's. Hitler used this doctrine as an excuse [one among several] for his murder of 6,000,000 Jews. According to one source, "Hitler wrote that he was told by Lucifer that Jews were the offspring of Satan having sex with Eve and producing Cain who then was also the father of the dark skinned races. Hitler was told that when he destroyed the Jews and the black race, then the Aryan gods would return to earth and set up the kingdom of god and anoint Hitler as the first human king."

Arnold Murray of Shepherd's Chapel has been the main proponent of the "serpent seed" doctrine for the past 30 years. This man is a false teacher on a number of counts with four failed prophecies. His serpent seed doctrine claims the forbidden fruit in the Garden of Eden was actually sex, and that Eve's sin was having sex with the serpent. The story then has Eve being intimate with Adam. After that she is pregnant with twins, with Cain as satan's seed and Abel as Adam's.

A simple reading of the verses in Genesis blows away this falsehood. Genesis 3:6 calls the fruit "food" - not sex. Eve gave this food to Adam as well, indicating it is real food and not symbolic of sex with satan. Genesis 4:1 specifically tells us that Adam is Cain's father. Further, Eve gives glory to YHWH for her son, Cain, saying "I have gotten a man from YHWH" - not satan. The serpent seed doctrine is thus quickly and easily proven false.

**Listener Comments - Asherah "Yah's Consort?"**

You have mentioned Asherah. What is the origin of the fairly widely held belief that that was the name of the consort of Yahweh.

**Tsiyon Answer - Asherah "Yah's Consort?"**

There is a scholarly debate as to whether Asherah was considered the consort of YHWH in ancient Israel.

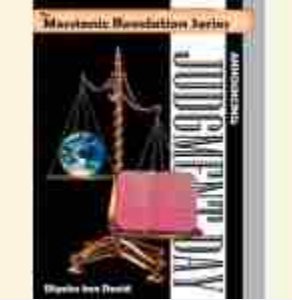

An 8th century BCE ostrakon inscribed "I have blessed you by YHVH of Samaria and His Asherah" (or perhaps "... by YHVH our guardian and His Asherah", if "Shomron" is to be read "shomrenu") .. Another inscription, from Khirbet el-Kom near Hebron, reads: "Blessed be Uriyahu by Yahweh and by his Asherah; from his enemies he saved him!"

These inscriptions have led some to believe that Asherah was viewed as the goddess consort of YHWH. However, this could just as easily be a reference to the Asherah poles that were so prevalent among the sinning Israelites during the period, rather than to the goddess as such.

Female statues have been found that some have identified as Asherah, which have been connected to YHWH. However, [not all agree]

"Alan Millard disagreed with the conclusion that the pottery figurines cited in the documentary were figures of Asherah, saying "Pottery figurines of women with extended breasts are often found at sites of ancient Judah. They were identified in the programme (Dr. Stavropoulou's BBC docu-mentary) as images of Asherah. Many scholars agree. However, equally careful studies contest their identity. They bear no emblems of divinity, they are not like the Canaanite figures of Asherah. They are better described as good luck charms for nursing mothers where the infant mortality rate was very high. The Bible does not hide the fact that Israelites worshipped Baal and Asherah and other gods. The prophets condemned them for doing so (e.g. Jeremiah 19.4,5; Hosea). It agrees, therefore, with the archaeological evidence. The Bible does not misrepresent the past in that respect, nor does this evidence undermine the Bible's record that Israelites believed in a single, unique God."

The claims that Asherah was viewed as Yah's wife are thus built on less than a solid foundation. It is possible though, that some apostate Israelites of the period may have promoted this idolatrous view.

From Elivahu

The Scriptures tell us: "The whole world lies in the power of the evil one." 1 Yochanan/John 5:19b

And yet, so many of us are slow to believe the evil one really has that kind of power over the world. Why? Because it is occult power. Hidden power. Those through whom the evil one exercises his power over this world don't want us to know that power comes to them from a dark occult source - so they keep their trade with the evil one their most closely guarded secret. All the blind masses see are the effects - never the true source.

YHWH does not want us, His people, blind to what the evil one is doing.

"That no advantage may be gained over us by satan .. we are not ignorant of his schemes." 2 Cor 2:11

Through the Prophet Ezekiel YHWH revealed how the occult power of the evil one energizes the religious, commercial and political powers of this world. Further, what we can glean from Ezekiel enlightens us about specific schemes of the enemy in our day, which, though hidden to most, are opened up to us. YHWH reveals the awful schemes of the enemy to us so that "no advantage may be gained over us by satan." That's the purpose of our latest message.

Shalom,

Eliyahu ben David
