Yah had revealed this to me quite a few years ago, but I had never heard anyone preach or teach it. Sometimes I would wonder if I was crazy, as everyone else seemed to be on a different page that I was. Now I know that there are others alive today that believe the same thing that Yah had shown me years ago. I have tried to explain this information to others before and they have rejected what I have said. It sounds like you have had similar experiences. To me it seems so obvious, but I guess to others it can seem very strange and crazy, which to me seems like such a mystery. Maybe I need to be more patient with people. Now I can send the people to your teaching and not have to worry about trying to explain it to them, as you are much better at doing it than I am Eliyahu.

To me it is a little silly when I see people leave out the vowels in the titles like G-d and L-rd. We get such strange ideas in our heads. He told us not to cause His Name to be forgotten; He did not tell us not to use His Name.

When we do things that are contrary to His nature in His Name, this is when His Name is defiled by us. When we make vows, we are to vow by His Name Yahweh. As Yahweh lives... This is the pattern in the scriptures.

Why in the world do we spend so much time trying to define Him when He is infinite and we are finite? He tells us His ways are higher than ours, and His thoughts higher than our thoughts... He has given us instructions on how we are to conduct our lives. He gave them in a simple way so that we would be able to do them. Really, we can not even agree on those.

The wars that Yahweh gave Israel to fight were over nations whose behavior was against His nature. Human sacrifices, adultery, witchcraft, necromancy, idolatry, etc... Because these people chose to act out these behaviors, they lost the right to live in Yahweh's land.

The covenants were made with men who chose time and time again to do things the way Yahweh wanted them to. When Israel lost the right to live in the land it was because they

followed after these other nations instead of doing things the way that Yahweh had given them to do.

As the scripture says, Let not the wise man glory in his wisdom, and let not the rich man glory in his riches ...Let a man glory in this, that he knows and understand Me...

My wife shared something so sweet with me the other day. While she was visiting at Eliyahu's house she noticed that E and D's youngest boy was just staring straight up out of a window and he had an astonished look on his face.

My wife asked him if something was wrong and he said; "no, I'm just looking at how wonderful God's creation is." WOOOW!!! That is totally amazing coming from a child his age, because he is so grounded in the word of God. He was not repeating something that he has heard over and over again, NO!

He was actually contemplating the vastness of Yahweh's creation. This speaks volumes to me. Out of the mouth of babes.

From Eliyahu

YHWH is Great. So great that He is beyond our full comprehension. It is a life-long pursuit to get to know Him and to grow in knowing Him. Though gifted with an eternity of life-times, as the righteous are, we will never plumb the depths of all that He is. This is a good thing! It means that eternity will never be boring, because our amazing Heavenly Father will always have more to give, more to share, in the eternal bond of fellowship into which He has invited us! Here at *Tsiyon*, we love talking about Him more than anything. It's time to share more of Him!

Shalom,

Eliyahu ben David
