## Targum Isaiah Reveals a Divine Messiah

The Isaiah Targum of Jonathan ben Uzziel, written 30 years before the birth of Messiah, proves that the Divinity of Messiah was a mainstream Jewish teaching in the first century.

### Listener Comment - former satanist

As I was listening to your broadcast, I had no idea you were talking about my friend, when you were talking about the former satanist! I posted your broadcast to the group we are in, and he emailed me to say he was the man! I knew about his past, because he contributes his knowledge to our group, on occasion. He called me a while back about a post I had put up about aliens. He has so much knowledge, and is such a great resource. He has been very ill for many years, but seems to be on the mend, lately. I posted the broadcast, and he was very excited about what he heard.

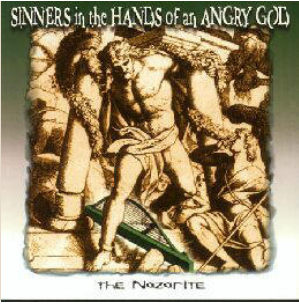

### Tsiyon Answer - former satanist

It can be shocking to find out that someone we have known is or has been a satanist. Normally, someone who is a satanist does everything in their power to look like the opposite of that, especially if they are one of the "chosen ones" that infiltrate groups, ministries and movements of believers. Fortunately, YHWH has set some of these people free, and when that happens they can be a great asset to us all, revealing the schemes of the enemy, and even revealing the identity of clandestine satanist infiltrators who are a danger to the Kingdom. I'm

grateful for people like your friend, who share their unique knowledge to help us in our battle against the domain of darkness.

**Partner Praise Report - Victory!**

just wanted to let you know that since our prayer that day you called to talk to me, I have no longer been troubled with doubts that my adoption papers have been signed by Yeshua. I belong to Yahweh's family. I of course have been tested and tried in many other areas but I believe in the power of Yahweh. As long as I am willing to follow His way and to keep on reading, searching and praying, I have victory. Life is not about me! It is all about Yahweh! I want to let you know that I pray daily for your ministry and that Yahweh may continue to use you in teaching the truth. Thank you so much for all your help.

**Tsiyon Answer - Victory!**

Thank you for sending such a wonderful praise report! The enemy is not called "the accuser of the brethren" for nothing. His accusations are designed to make us feel that our trials and our faults separate us from our Heavenly Father. Among other things, I think that is a tactic to get our eyes off of our Father and on to our own problems and faults. This is sure to cause us discouragement. As you say, "Life is not about me! It is all about Yahweh!" That is why we have a great High Priest before the Throne of the Father in heaven, pleading our cause and providing help at the right time. We need to trust in Him, and keep following Him, and we will make it to the winners circle, by His grace. As you say, you "have victory!" He has won that for you and for all the overcomers who follow Him. Thank you for your daily prayers on behalf of this ministry. That means a lot to our whole Tsiyon team.

**By Partner request** we have minted a small number of Gold Kingdom Shekels. These are available for order on a first come first served basis. Just click the pic for more details.

**From Eliyahu**

As I write I am aware that we are about to enter a new Biblical year. Publishing *Targum Isaiah* was one of our main achievements of the year, which I believe will be bringing forth fruit for the Kingdom for years to come. Why do I say that? Because this book lifts up Messiah in a very unique way, to shed light on who He really is. Thousands of Jewish people were brought to saving faith in Y'shua in earlier generations through *Targum Isaiah*! Now, many more will have access to this life-changing information. Some of them will take their place in the ranks of the faithful remnant of Israel, being raised up right now!

Shalom,

Eliyahu ben David
