### European Gospel Radio Now Airing

**Tsiyon Messianic Radio** ([Press Release](#))

*European Gospel Radio* (EGR), a non-denominational, non-profit radio station that has been faithfully serving Europe's listeners since 1979. A spokesman for EGR says, "Our mission is to spread the Gospel from Milan, Italy, to the World on Shortwave radio and the Internet." Now *European Gospel Radio* will begin broadcasting, *On The Road To Tsiyon with Eliyahu ben David*.

What is a Messianic radio program and why is it on a gospel radio station? The program host, Eliyahu ben David, explains; "The term *Messianic* emphasizes the Messiah of Israel. Christians call Him Jesus Christ. Messianic believers call Him by His Hebrew name, *Y'shua Messiah*. Our Messianic message puts the focus on the real Messiah, a Jew from the Land of Israel. Historically, Christianity Hellenized "Jesus" which largely separated Him from His Jewishness, remaking Him in the Greco-Roman image of the Roman world in which Christianity took hold. Today, many Christians are becoming aware of these facts and are now returning to the Hebrew roots of the faith. Our program helps Christians to find their Hebrew Messiah once again."

The program will air each Friday evening at 8 to 9 PM CET on European Gospel Radio, 7,290 kHz in the 41 meter band. The first program is scheduled to air Friday, July 20, 2012. Listeners will be able to tune in to the exciting series of programs comprising "The Matrix Series." EGR can be heard from as far west as the UK and Spain/Portugal and as far east as to Russia. Listeners can join in from Norway, Finland and Sweden, as well as those all the way south to Africa. The Middle East can also join in with the EGR signal reaching Israel, the

Holy Land, Iran, Iraq, Syria, Jordan, and beyond. Listeners in the United States are some times able to pick up the signal depending on the weather.

To find out more, please contact Eliyahu at [www.tsiyon.org](http://www.tsiyon.org).

**From Eliyahu**

If you are a radio broadcaster who wants to reach all of Europe, Israel, parts of the Middle East and Africa, and more, what would you want to do? What we are doing, of course - broadcast on *European Gospel Radio!* Our first broadcast will occur on EGR tonight, and then everywhere else thereafter. We have reproduced our press release above that explains all this. You can download the press release from the link ([Press Release](#)) and send it out to your friends in the EGR target audience. We want to thank EGR for inviting us to broadcast with them, and we are very pleased to welcome the many new listeners that we will now be reaching over EGR.

As exciting as broadcasting on EGR really is, our current news doesn't stop there. We have some very big things in the works! That's why we want to update you with a Tsiyon Mission Report in this latest program. Hear this news directly from the mouths of your Tsiyon volunteers, as they are interviewed about exactly what is going on at our Tsiyon HQ, in greater Austin Texas! Be sure to tune in!

Shalom,

Eliyahu ben David
