#### Listener Comment - Jethro

What was Jethro a priest of in Ex 3:1?

#### Tsiyon Answer - Jethro

You asked: "what was Jethro a priest of in Ex 3:1?" which says,

"Now Moses was keeping the flock of Jethro, his father-in-law, the priest of Midian, and he led the flock to the back of the wilderness, and came to God's mountain, to Horeb." Exo 3:1

Here is how *Strong's* defines the Hebrew word here translated as "priest"

Priest H3548 - ko-hane'

Active participle of H3547; literally one officiating, a priest; also (by courtesy) an acting priest (although a layman): - chief ruler, X own, priest, prince, principal officer.

As we look closely at this word we see it has a broader meaning than our English word "priest". In English "priest" always refers to some sort of spiritual leader. This is not so in Hebrew. It can equally mean "chief ruler, priest, prince, principal officer". Probably in this case it simply means that Jethro was the official leader of Midian.

*I will surely assemble, Jacob, all of you;  
I will surely gather the remnant of Israel;  
I will put them together as the sheep of Bozrah,  
as a flock in the midst of their pasture;  
they will swarm with people.  
He who breaks open the way goes up before them.  
They break through the gate, and go out.  
And their king passes on before them,  
with YHWH at their head.*

Micah 2:12

### From Eliyahu

So, what does "Go!" mean? What's the plan? It has to be huge - global - because the remnant are global. It has to provide a means of entering into a Kingdom atmosphere together as a nation, no matter where we all live, to help us attain to the mindset that we need, to be prepared as His remnant nation for the things He has foretold for us in Scripture. It has to provide for communication and community together, where we can get to know one another, where He can order us as an organized people for the task ahead. It also has to start with something we can do right now. With His help, we're working on it. It's called: "Tsiyon Road." Keep praying for us - we still have a lot to do to meet our September 3rd launch date.

Shalom,

Eliyahu ben David
