Cain Built Enoch, that is, Uruk, the first "city" - a Ziggurat!

From Eliyahu

I am a bit late getting this newsletter out to you because I've been working on some extra resources for use with programs #005 and #006. The chart above is one of those resources. Keep it handy for easy reference when listening to these two *EbD Bet Midrash* programs. I've also created another resource for you, which will be announced in the next newsletter, coming soon. The antediluvian world is prophetically parallel to our generation, so I want to do everything I can to help you fully grasp this material. I pray that you will be blessed by these programs!

Shalom!
 Eliyahu ben David
