Pass It On

If you know someone who would like to receive this newsletter, please pass it on.

Noah's Flood happened! There is abundant evidence for that fact throughout the earth. YHWH said that the returning Remnant of Israel is like the Flood to Him, in this final generation. This latest Midrash explores the implications of that truth. *This Sabbath ONLY!* - Tsiyon Road Sabbath broadcasting begins Tue, Nov 28, 6 PM, Jerusalem time, and continues for 48 hours. The Midrash is broadcast 8 times over that period. Listen to this radio presentation free at that time! Don't miss it!

*For this is like the waters of Noah to Me; for as I have sworn that the waters of Noah shall no more go over the earth, so have I sworn that I will not be angry with you, nor rebuke you.*  
Isaiah 54:9

## Listener Question - What Happened to the Amalekites?

Shalom Elijah, blessing onto you, your ministry and your family! Please where did the evil tribe of Amalek disappear? Are Amalek's descendants present in the current Middle East? In current Christianity Amalek is a symbol of evil, fierce opposition against God and against His blessing; for children of Israel it's an evil nation, satanic force against Israel... (Slovakia, EU).

## Tsiyon Answer - What Happened to the Amalekites?

I did a little research on this and found this information:

The Amalekites left Arabia after being devastated by the same plagues that struck Egypt. After their defeat at the hands of the escaping Israelites, they streamed across the Sinai to Egypt where they met little or no opposition due to the destruction of the Egyptian army in the Gulf of Aqaba. Once entrenched in their new domain they became known as the Hyksos or Amu of the Egyptian inscriptions.

They ruled the conquered land in such a barbarous fashion that they were COMPLETELY IGNORED in the Egyptian king lists at Abydos. This huge gap in the testimony of the Egyptian monuments is explained by the fact that the succeeding native Egyptian dynasty diligently set about obliterating every remembrance of the hated Amalekite foreigners who had ravaged the country for so long.

For almost 500 years the land was plunged into a sudden darkness that seemed all the more impenetrable because of the glorious heights the 12th Dynasty of Egypt had achieved through the brilliance and labor of the Israelites.

Modern historians, how ever, because of chronologies that are 500 years out of sync with that of ancient Israel, fail to connect the Hyksos with the Amalekites of the Bible. Innumerable theories come and go as historians grope about in their own "darkness" -- a situation that need never have occurred if only the Bible was accepted as a historical book, and the traditions of the nations of the Middle East were accepted as having a basis in truth.

Many blessings to you and all the brothers and sisters there.
