Tsiyon Messianic Radio Newsletter - Vol 7.50 - 10/07/6012 TAM - 12/20/12 AD

The Seventy Nations

Psalm 11

All of the worldly nations spring from seventy original patriarchs who themselves descended from Shem, Ham and Japheth, the sons of Noah. Why is the world such a mess? The seventy nations chose to ignore the Creator and go their own way. Why did they do that? I'll give you a hint: it has to do with someone called *the Rebel*.

New Holy Time Calendar at the Website

For this Hebrew month we've installed a new calendar at our [tsiyon.org](#) website. Henceforth this calendar will be the place to go to know what day it is on the Biblical sacred calendar in relation to the common secular calendar. We've made the new calendar easy to find with a link in the right sidebar of the website (see screenshot - right). We are starting out with the basic features, but will be upgrading as we get more familiar with the software. However, this calendar has lots of bells and whistles. Here are a couple you might find especially interesting:

Facebook Integration - Connect your Facebook account to import all or part of the calendar to your Facebook.

Subscribe to the Calendar - Subscribe to individual categories or entire calendar feeds. Any changes made to the events on the calendar will be automatically sent out to every other calendar subscribed to it.

Need to talk to us? - In the USA and Canada just call us toll free at (888) 230-2440 for help. Internationally, email us and we will arrange a phone or Skype call for you.

Eliyahu ben David Bet Midrash - Are you keeping up? This unique teaching program is aired eight times each Sabbath and following day, a period of 48 hours, and anyone can listen free of charge on our *Tsiyon Road* radio station. Further, the Torah Reading Schedule and translation of the Scriptures used in the Midrash are all available free of charge right [here](#). Week by week we are dissecting the truths of

the Torah, and we are doing it all - we are not leaving out the hard stuff many others don't even want to discuss. If you want to know what the Torah is really saying to you and I today, then you can't afford to miss even one lesson. Currently we are on our eleventh episode, so if you are behind you can easily catch up. Here are a few comments from our members on some of our earlier broadcasts:

Centerpiece of Creation Gen1:1-2:3 - *"In our group in Slovakia the men were so moved by your teaching that they searched the Sun theory .. you are teaching the truth."*

The Blessed Man – Gen 2 - *"I really am enjoying the slaying of all those sacred cows!"*

Facing the Fall – Gen 3 - *"Loved it! I intend to make the necessary changes in my life so I can be aligned to the will of Father YHWH. HE is the most important thing in my life ..You have blessed me beyond belief this week! This Midrash just gets better and better."*

Faith vs Form – Gen 4 – *"What a powerful time in the Torah. This passage of scripture opened up to me like never before."*

Raising Cain – Gen 4 - *"Thank you Eliyahu, David and Rick for your insights and wisdom. I love it and am in continual praise of Yah for these teachings. How did we cope before??"*

Thin Red Line – Gen 5 – *"Wow! once again another amazing midrash full of the truth of YAH. I think this quote from Enoch says it all: "1. These are the words of the blessing of Enoch, with which he blessed the chosen and righteous ones, who will be living in the Day of Tribulation, when all the wicked and godless are to be removed." I cant seem to say Wow enough... this is for the remnant!!! Were going home people!!! \o/ Praise YAH"*

BE Noah! – Genesis 6 – *"Huge! Not talking about the box, we all know that was huge, I'm talking about the Torah lesson. Jeanny and I sat and talked about it for hours, eating the meat from His Word sure is nourishing. Noah was the first to find out who was going and who was not. Just think about that for a moment and see if that's not humbling. We're about at the same stage as Noah was during his time and many of us have already said our goodbyes to those who choose not to obey Yahweh's Commands. We must be like Noah and the rest of those that went into the box or we will be destroyed in the world."*

Saved Thru Water – Genesis 7:11-24 & 8:1-19 – *"I was mainly blown away by the flood being a type of the exodus/2nd exodus. WOW!! I laboured under the illusion that it was a type of the "rapture" for a couple of years but the exodus type fits so much better and is obviously truth. My jaw was on the floor for the whole second hour!"*

Arise YHWH! Let man not prevail! – Psalm 9 – *"We are a burdensome stone indeed. Prophecy is being fulfilled and what a pleasure it is to be of the generation that begins the Kingdom of Yahweh established on this earth. THIS IS SO HUGE AND GLORIOUS."*

Foundations of the Post-Flood World – Gen 9 - *"Thank you for another great Midrash, how did we manage before? Once again I was reminded of how Patriarchs like Noah have been so terribly maligned by people over the years."*

These are just a few sample comments out of the many excellent comments from listeners and partners. (Thanks to all of you for taking the time to leave comments on the programs, by the way. They are a great encouragement!) The point is, if you set aside time for this each week, as have those folks quoted above, you will be regularly feeding your spirit on meat in due season. As you regularly take in this meat you will grow and get ever-stronger. Then, as the trials in the days ahead come upon you - you will have what you need to come through victorious! Make the Midrash a priority each week. You will be glad you did.

From Eliyahu

This week's Midrash is on the Seventy Nations. Once you understand what the Seventy Nations are all about you will know why it is so vitally important to be part of Yah's unique nation. There's a lot here. Don't miss it.

May you be blessed and encouraged as part of His Remnant Nation!

Shalom!

Eliyahu ben David
