The Seventy Rulers

Genesis 11

"We speak wisdom, however, among those who are mature; yet a wisdom not of this world, nor of the rulers of this world, who are coming to nothing. But we speak God's wisdom in a mystery, the wisdom that has been hidden, which God foreordained before the ages for our glory, which none of the rulers of this world has known. For had they known it, they wouldn't have crucified the Lord of glory." 1 Corinthians 2:6-8

## Tsiyon Listener Q+A

**Told in a dream not to bring any abominable thing into the Camp of Israel.**

**Q.** I had a dream in which I was told to pack my stuff to be ready to go. But something different was said also, and that is not to bring any abominable item into the camp of Israel ... what is an abominable item? ..I am totally willing to remove anything bad, but I need to know what is bad and what is good ..[also] How do I know when it is really time to pack to go [in the Second Exodus]?

**Tsiyon Answer** - About your dream – "abominable things" usually refer to idols or false gods. Common pictures of yourself, family or friends etc are not images or idols in that sense, because they are not for the purpose of idolatrous worship, so you don't need to be concerned about those. What you are looking for are items having to do with false worship, a Catholic image of Mary could be an example. Sorcery and divination could also be included, such as Tarot cards or horoscope charts, for example. Other things could be anything having to do with Free Masonry, such as Masonic rings etc. Native paraphernalia, whether native American, native Australian, native African, or whatever, may be connected to idolatry and magic in ways that are not obvious, that simply seem like cultural items to outsiders. Buddhist pictures are quite common, and often people don't even know they depict scenes from the life of the "Buddha". Psychotropic drugs are often used in sorcery, so in some circumstances, could also be included.

Whatever the offending items are, YHWH already knows what they are. He is telling you in advance of packing so that, as you pack, you will be sensitive to His Spirit to direct you to the offending items. There is no need to fear or be panicky. Just tell YHWH that you want to obey, and ask Him to direct you to the offending items..

..You also asked another question: "How do I know when it is really time to pack to go.." We will not be going in the Second Exodus until we are fully organized as a people to go. That means all of the 144,000 leaders from all of the 12 tribes will be in place and functioning in unity, everyone of the remnant will be under the Divinely established leadership according to tribe and we will all go out together in the holy order of Israel. There will be no uncertainty and no panic when we go out. You will not need to guess because the word will come to you through the leadership of Israel, along with the plan for you to follow. Clearly, we have a lot to do before we are in that kind of order, so this isn't going to be happening imminently. Actually, it will occur sometime after the coming mid-east war that will radically alter the geo-political situation in favor of Israel. Until then we all must work at building up our selves, our families and His nation so that when that day comes we will all be ready together. This, in fact, is what is happening with YHWH and you, as in this dream. He is working in your life now, and you are responding, so that when that day comes you will be ready.

### **From Eliyahu**

This week's Midrash reveals the decision of the Seventy Nations to abandon the Creator, and to follow after 70 false 'gods' instead. Just as there are 70 foundational nations there are 70 invisible world rulers over those nations. Those 70 demonic princes are your enemies! They are warring against you. Are you warring against them? This Midrash will consider the implications of all of this for you and I, and will focus on some areas where we need to re-think some of the more popular lies that have been thrust upon us. The truth will set you free, so don't miss this important Midrash.

Shalom!

Eliyahu ben David
