*Abram's Reward*

Genesis 15

## **Abram's Reward**

YHWH .. said, "Look now toward the sky, and count the stars, if you are able to count them." He said to Abram, "So will your seed be." Gen 15:4

In Genesis 15 YHWH enters into a formal blood covenant with Abram. This covenant is known today as the *Abrahamic Covenant* and is of such pivotal importance that it is referenced throughout Scripture. In fact, even now it is at the center of tensions in the Middle East reported on in the news daily.

Who knew this Midrash on the Abrahamic Covenant would bring us to the perceived controversy between Paul and James and Grace vs Works? It does ..and it settles the question!

**This Sabbath ONLY!** Tsiyon Road Sabbath broadcasting begins **Thur, Jan 19, 6 PM, Jerusalem time**, and continues for 48 hours. The Midrash is broadcast 8 times over that period. Listen to this

## **Tsiyon Listener Q+A**

### **Still on the Titanic?**

*Q. I started reading about this new book [Tent of David] ..I think for me this is a powerful tool to help witness to the Christian church of the Hebraic faith ..Please take a look at the material ..give me your feedback what you think.*

**Tsiyon Answer** - I just started reading the sample and have to say they lost me with the first sentence; "Tent of David was written to inspire a majestic vision for the reformation of Christianity - to bring the church back to its foundations.."

Messiah has already judged the Church system and is done with it. Therefore, no "reformation of Christianity" is possible. Now it is up to individuals to get out of Babylon to join with the Remnant of Israel - or not.

In other words, the goal of this book is to polish the brass on the Titanic after it has hit the iceberg. Time would be much better spent getting people in the lifeboats, because the only possible outcome for the Titanic is doom. [See my book; *Announcing Judgment Day* for Scriptural details.]

## **Solving Website Troubles - "Point and Click"**

*Q. I used to subscribe to your programs but no longer do because its so complicated to figure out how...I know that you have all sorts of gadgets in your new website that you would like to utilize...and I have no doubts that you know how to utilize them....However for a guy like myself...I want to just point and click...I'm a truck driver and don't have the luxuries to download new added tools in route ...I wouldn't mind subscribing for a monthly donation....but only if I could listen to what you are saying...sorry for the rant, I like your messages but its so frustrating that I can't just point and click to hear a message ..if you could fix it and go back to how it was that would be fantastic ..I look forward to hearing from you.*

**Tsiyon Answer** - Thanks for writing and sharing your mind with us. The important thing is, I really want to help you access our message. Before I tell you anything else I want you to know we would be glad to talk to you on the phone and walk you through anything you are having trouble with at our website. We can call you if you would like, or you can call us Toll Free at **888-230-2440** and we will have our website working for you in no time.

It's true that our website is very different than it used to be. Here's what you need to know to easily gain access to what you are looking for:

### **We have TWO websites now!**

**Public Tsiyon Site** - Our main site at [www.tsiyon.org](http://www.tsiyon.org) is now designed mostly for the public with easy access to our 24/7/365 radio station.

**Private Member Tsiyon Site** - At [www.tsiyon.net](http://www.tsiyon.net) our Tsiyon Members have a whole new site of their own!

You can use the link [www.tsiyon.net](http://www.tsiyon.net) or click the "Tsiyon Tabernacle" logo near the top of the left side-bar at our [www.tsiyon.org](http://www.tsiyon.org) site to get to the new member site.

*PS - Not all mobile devices work with all features of our sites at this time. We see the importance of solving this - but there is a growing number of devices using a lot of different formats and software, making this a complex problem to overcome. We are working on this and expect to overcome most of the compatibility hurdles over a period of several weeks. If you have any suggestions about how we could make your mobile device experience better, please let us know.*

**Don't be frustrated - Easy to get Help** - If you are still looking for member content at the original site you can't find it there ..which is very frustrating indeed if you don't know about the member site for some reason. We have emailed all of our members about this a number of times, but not everyone gets or reads all of their email for reasons beyond our control - which is understandable - which is why we are more than glad to walk you (and anyone who needs the help) through this on the phone at 888-230-2440.

**Initial sign-up is free** then you can choose other membership options from there if you wish. As a donating member, once you get into the new member site and choose your options you can listen to or download your Tsiyon programs simply by clicking on the desired link. **It's really very easy.**

If all you want is to listen to the programs on demand, easily, this will do it for you. However, the new member site is also offering new member features with more on the way, which you can use or ignore according to what works best for you. **Getting started at the new member site will only take a few minutes with a little personal guidance. Just give us a call!**

**From Eliyahu**

Was the covenant YHWH made with Abram based on grace alone, or did it involve works too? Why do some verses indicate the Abrahamic Covenant was a reward to Abram for services rendered to YHWH, while others seem to indicate that the Abrahamic Covenant came to Abram by grace alone through faith? Is there really a contradiction on this topic of grace vs works between James and Paul? Actually, no, there isn't! Get clarity on this topic in a way you can easily explain to others, in our latest Midrash of Genesis 15.

Shalom!

Eliyahu ben David
