Exodus 36-39

Delegated Authority

Moses called Bezalel and Oholiab, and every wise-hearted man, in whose heart YHWH had put wisdom, even everyone whose heart stirred him up to come to the work to do it: and they received from Moses all the offering which the sons of Israel had brought for the work of the service of the sanctuary, with which to make it. They brought yet to him freewill offerings every morning. Ex 36:2-5

From Eliyahu

We are considering chapters 36 through 39 of Exodus this week, with only one more chapter, chapter 40, still left to be done. As we approach the end of the book of Exodus it is uplifting and inspiring to see the willing-hearted men and women of Israel doing everything right! This, after a massive moral failure of the nation in which they almost lost it all. In these chapters we see YHWH graciously moving ahead with the pattern He had revealed to Moses in the Mountain. His repentant people now are given the privilege of building His Tabernacle, so that YHWH can live among them! This account fills the Remnant of Israel today with hope, because it reveals how YHWH works through His flawed people to accomplish His purposes in the real world. We can be His fellow-workers in bringing in the True Tabernacle - it is all within our grasp!

Blessings and Shalom!

PS - The Tabernacle built by the wilderness Israelites in chapters 36-39 of Exodus served as worship center for the nation, even after they entered the Land. The Tabernacle came to rest in Shiloh. Evidence is now coming forth confirming the reality of the Tabernacle there. See the article below.

Archaeologists Believe They May Have Found The Ancient Tabernacle Location in Shiloh

Source : Tzvi Ben-Gedalyahu – Jewish Press

"The whole assembly of the Israelites gathered at Shiloh and set up the Tent of Meeting there. The country was brought under their control." -Joshua 18:1

(Israel)—The *Jewish Press* reports that evidence has been unearthed at the ancient site of Shiloh that experts believe may prove the city was a religious center even after it was destroyed by the Philistines.

The revelation at Shiloh, it notes, "is the first evidence of post-Tabernacle sacrificial worship at the same site where the Bible states the first Tabernacle was erected after the Jews entered Israel following the Exodus from Egypt and the 40 years of living in the Sinai."

A Temple Institute report on the Shiloh dig says, "Archaeologists have searched for evidence of the Tent of Meeting (aka The Tabernacle) for years. The [new] findings include the discovery of holes into the ground which could have held the beams of a temporary structure.

"Because the Tent of Meeting and Ark of the Covenant were portable, archaeologists are considering the possibility that the Tent of Meeting stood there. The Tent of Meeting served as a place of prayer and sacrifice until the First Temple in Jerusalem was built by King Solomon.
