From Elijah

It was my birthday well over a month ago. The truth is, I don't usually pay much attention to my birthday, but this year I promised myself a little birthday indulgence. I heard a major epic movie would be coming out about "Noah" - though I would have to wait for it, seeing that movie in the theater would be my birthday present to myself. This last week the waiting was over and I finally got to see the film. It turns out that I gave myself the worst birthday present I have ever received. The movie had almost no resemblance to the "Noah" account in the Bible, instead recasting that story into a new age, evolutionist, environmentalist nightmare with Noah coming off as some sort of deranged serial killer! ...Really, it was that bad!

Why am I telling you this ..besides saving you the cost of a wasted ticket, that is? Because this movie is indicative of the latest wind of anti-YHWH propaganda to be foisted on the public by the mentally diseased mind-control machine collectively referred to as "Hollywood." With few exceptions in recent years, Hollywood has maintained a policy of either ignoring the Bible or, if not ignoring it, portraying it as flawed, backward and ignorant. This Noah movie takes that irreverence to the next level. Now, Hollywood will give us their new version of the Bible, replete with "special effects" - all designed to inculcate their twisted amorality into the population while simultaneously inducing unsuspecting viewers to hate their Creator. Those of us who know the real Bible

could refer to the Hollywood version as "The Gospel According to Satan." Unfortunately, the great masses of viewers know little or nothing of the real Bible, and never will. For them, the Hollywood Noah, and the Hollywood god, are the only versions they will ever be open to receive. Make no mistake, reverent attitudes toward God and the Bible are very deliberately under assault, using the Bible itself, to make countless new recruits to the mindset of the new world order.

By way of contrast, *Eliyahu ben David Bet Midrash* is a voice crying in the wilderness with the authentic message of the Torah, and the Scriptures generally. Our goal with the Midrash is to simply understand what the Scriptures are actually saying, and to declare that authentic message, i.e. the truth. Yes, we are recruiting also. We are reaching out through the darkness to connect with truth-lovers everywhere. People who have had enough of the lies and distortions of both religion and the world. People who want to know the real God of the Bible and the real story of what He has done, Who He is, what He wants, and where He is going with His creation. For the last 70 weeks we have been going through each and every verse of the Torah, verse by verse, to honestly uncover that truth. With our 70th program we conclude our intense investigation of the Book of Exodus. Amazingly, we have uncovered what is undeniably the central core of the Book that has been overlooked by generations up until now. This is revolutionary truth of the highest order. This is truth desperately needed by this generation!

Have you kept up with every one of these Exodus programs so that you fully grasp the Exodus message, or has everyday life gotten in the way sometimes? Let's face it, most of us have probably missed some of these. And what of those folks who don't even know this information is available? Would you like to help us get this life-changing truth out to some of those people? Here is your chance! This is something I like to call the Exodus Extravaganza! Here is how it is going to work:

Following our next Sabbath broadcasting period *Tsiyon Road* will be featuring the Exodus Extravaganza for an entire month. Over the course of that month we will re-broadcast all of our Exodus programs. If you have missed any of them this is your chance to catch up. If you have heard them all, this will be your chance to pull all that you learned together. If you love this truth this is your chance to share it with somebody else! Imagine, the entire Exodus teaching in one month! Wow!

Realize, we broadcast all of this free of charge. All you have to do is listen. We broadcast our radio stream over GloryStar satellite and over the internet. You can hear it from our website using your computer. You can hear it via your mobile device or any other internet-connected device. If you don't know how to get hooked up just give us a call. We would love to help you! Our toll free number is: (888) 230-2440. Internationally, send us an email at help@tsiyon.org and we will arrange a call. Bottom line: no matter who you are or where you live, if you love the truth we want to do all we can to get this message to you, so don't be afraid to ask for help getting hooked up with *Tsiyon Road* radio.

If you are listening already please send a copy of this newsletter to a friend and invite them to tune in for the Exodus Extravaganza! Really, as this important new Hebrew year begins, what could be better for this Passover season than focusing on the Exodus message through the entire month? I know you are going to love the Exodus Extravaganza!

Blessings and Shalom!

Eliyahu ben David
