*“Speak to the sons of Israel, saying, ‘In the seventh month, on the first day (Heb. yom) of the month, shall be a solemn rest to you, a memorial of blowing of shofars (Heb. teruah, lit. clamor, noise, shouting), a holy meeting.”*  
Leviticus 23:24

Sundown this evening, of the 26th of September, begins the first day of the seventh month: Yom Teruah! [Day of Shofars - Day of Trumpets, Day of Shouting] Yom Teruah begins the ten "days of awe" that culminate in Yom Kippur [Day of Atonement] on the tenth of the month. These ten days are a time for making peace with others, self-examination, and repentance. Here is the most exciting thing about Yom Teruah: This day is a joyful rehearsal for the day Messiah returns ..so let's make some noise!

## From Eliyahu

Dear friends,

At sundown of September 26th its Yom Teruah, the first of several appointments of the 7th month! Wanna hear a shofar blast to start the special day and

month off right? Visit our [web site](#) and listen to the awesome shofar we have posted there. Feel free to download it and use it in your celebration of this special day - the day of rehearsal for the coming of the Lord! So what do you do on Yom Teruah? Be sure to have a day filled with joy!

Yom Teruah marks the start of a special month of the Hebrew year - the seventh month. We have a special program schedule for this entire seventh month we are calling "Life in Leviticus" - here is more about it:

# Life in LEVITICUS

Now playing all month!

TSIYON.ORG

This set apart 7th month is meant to be holy and happy for His people, to lift us up to be more of who He created each of us to be as part of His holy nation. That's why *Tsiyon Road* is bringing you "Life in Leviticus" throughout this month. This is just the uplifting teaching you need, as you observe the special appointments YHWH has in store for you and your family.

Here's the plan: we are playing our entire Leviticus series, all in one month. If you've never heard it, or heard only part of it, you can hear it all for free during this special month. If you have heard it over the several months we have been broadcasting these Leviticus programs, then this will give you an opportunity to hear the whole series, teaching the entire book of holiness - the Book of Leviticus - in the the space of one month's time. We think this will help you to see the "big picture" YHWH is presenting to us in this amazing book - so chock full of the direct words of YHWH.

To listen, just tune in to *Tsiyon Road* each day through the month, using our player at the website, our cell phone app, or one of the many radio streams available that carry our station. "Life in Leviticus" - all month - on *Tsiyon Road*!

What, though, if you want to tell a friend about a particular program you would like to share? Well, you can find that scheduled program on the schedule below. To find the Roman dates simply

count from the 1st day listed, starting with September 26 at sundown as the Roman calendar day.

As you look at the program schedule below you will see that besides the Midrash series on Leviticus, we will also be playing an important series of "On the Road to Tsiyon" programs for your edification. Let me tell you what those are about:

While *Leviticus* focuses our attention on matters of holiness, our *Nazarean Kingdom Order Series* focuses our attention on Kingdom Order as it existed among the early Messianic believers. *Leviticus* could be seen as bringing right order into our personal lives. *Nazarean Kingdom Order* brings right order into the body of believers. I think you will find that looking at these two aspects at the same time will expand your grasp of what it means to be a citizen of His Kingdom, and will help you to see a clearer picture of how we must change as a people to be ready for the second exodus.

Now that the meal is on the table for this special seventh month, all that remains is for you to take it in, enjoy it, and be strengthened by it. I pray that you and your family will be blessed, and will enjoy the greatest seventh month ever!

Blessings and Shalom,

Eliyahu Ben David
