New Tsiyon Video: "Honor the Son"

Picture Right: Jacob Israel Ben David introducing the video message. Click the picture to view the video from the website.

"Honor the Son" Video - a new full-length video message; "*Honor the Son*" has been recorded at Tsiyon Tabernacle of Greater Austin. This deals with the claims of Y'shua as Son of God found in John 5. Among other things, this message deals with the surprising Jewish expectation of a Divine Messiah, as taught in the First Century by the influential School of Hillel. The message also examines Messiah's breath-taking teachings about His relationship with the Father, and His role as life-giver, both now and in the resurrection, also as Judge of the living and the dead. This message is sure to enhance your understanding of just Who Messiah really is!

Join Us Online - We are currently putting out at least one of these videos each month. This will lead, in a few months, to live online meetings with our Tsiyon members via the internet. Sign up as a member [here](#) to join us.

From Eliyahu

Hello friends,

When you have a problem and your friend tells you "I've got you covered!" how does it make you feel? Perhaps you have gone out to a restaurant for a business meeting, were in a hurry, and just forgot to bring your wallet. This could hurt your business. You understandably don't want to look incompetent in front of business associates, or worse, look like a moocher. What do you do? If you've got a friend in the group you might tell your friend privately of your dilemma. What a relief to hear your friend tell you: "I've got you covered!" These situations requiring a little help to get by come up from time to time. Friends help each other with these things, which is one reason real friends can be such a blessing.

Unfortunately, there are some problems that are beyond the scope of what a friend can do, as much as they might want to help. I'm talking about critical issues, or even life and death issues. Such things can arise suddenly, requiring a response that goes way beyond what one's usual friends can handle. This is when you need a Friend in Heaven!

Y'shua Messiah IS that Friend, for everyone who is in covenant with Him. Yes, in the Covenant, He has got you covered! In this latest Midrash alone we look at three different covenantal coverings for His people! These three coverings are represented for us in the Second Passover, the Cloud of Glory, and the Silver Trumpets of Promise (are you with me on that last one?).

Listen: when the need for one of these coverings arises that need will likely be urgent and will arise quickly. Learning about these coverings in advance is a prudent move. Further, as you contemplate the ways in which your Friend in Heaven has already anticipated your need, and has provided the perfect covering for even the harshest situations, you will surely agree with the Word when it says;

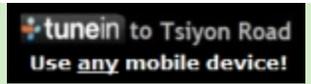

"One who keeps the Torah is blessed." Proverbs 29:18

Please join us for this encouraging Midrash!

Blessings and Shalom,

Eliyahu Ben David
