Major Announcements!

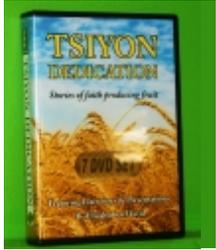

From Eliyahu

Hello Friends,

The last two weeks have been absolutely crazy, propelled by events of Biblical proportions. Here are the two biggest ones: As you surely know already, on June 26 the US Supreme Court attempted to change the definition of marriage from what it has been for the last 6000 years! This will have a profound effect on Bible-believing people everywhere and could literally be the death knell for the Church in America, as we set out before the event in the video at the left.

The other big event is this: On June 30/July 1 the "Bethlehem Star" reappeared in the heavens after a period of 2,000 years. Surely, the reappearance here in these last days, of the star that heralded Messiah's birth, is highly significant for us. We told you about this in our last [Tsiyon News](#) and will be publishing more in the future on this amazing event. Actually, we put a lot of time into observing and documenting this event and have a video slated for production that I know you will enjoy.

We were already working hard here at Tsiyon, and have been working on a big DVD project since spring. This is our 7-DVD Set entitled "Tsiyon Dedication." Being on 7 DVDs this is, of course, a huge amount of content! We have produced this at the highest level of production quality that we could put into these DVDs through many hours of work, and we are very proud of how great this 7 DVD Set presents, not to mention the great content that it includes. This is the major project we were working on when the stunning Supreme Court ruling came out, demanding my immediate attention. Then a few days later, the Messiah Star, also demanding my immediate attention. As you can imagine, I spent a number of sleepless nights seeking answers from YHWH.

I'm happy to say I got those answers. Myself and all of the Tsiyon Team have been working long hours to get those answers out speedily, to you and to everyone who will hear. This is what we've done, just since our last Midrash program:

1. We finished the *Tsiyon Dedication 7 DVD Set* and orders for that have been filled and are already out in the Mail. If you have been waiting for your order to be filled, keep an eye on your mail box.
2. We produced a video entitled *War on the Saints, Part I - Scheme of Balaam*. This video covers the same material we recently covered in the Midrash about Balaam's scheme against Israel that led 24,000 of them to their deaths. This is a reference point for further videos in the *War on the Saints* series of videos we have in the pipeline, exposing the Balaam-like scheme recently put into action by the enemy.
3. Immediately on the heels of that video we produced *War on the Saints, Part II - Enemy Scheme Unsealed*. On YouTube the title is *United Nations, LGBT Rights, and a New World*. This video contains information of earth-shaking importance to every believer.
4. We also recorded and produced our latest Midrash, on Numbers 26. Which we are releasing today on *Tsiyon Road*. This is a teaching on the second census of Israel, taken shortly before they entered the Land. You will be surprised how much we learned, comparing the first census, taken near the beginning of the forty years in the wilderness, and the last census, taken near the end of the same period. I made a chart to help you follow along. Which you can find on the Tsiyon.org website.
5. Finally, we created and published this newsletter.

All of that in 1 WEEK! We have to give YHWH the credit, because we couldn't have accomplished all that in such a short time without His help. He knows we all need this information right now, and He has generously supplied our needs.

Here are the new videos.

War on the Saints, Part I - Scheme of Balaam

If you have been following the Midrash in our study of Balaam skip the body of this one for now, then go right to the next video. Whatever you do though, watch the intro to this video. It's really cool! If you are not up to speed with the Midrash, then this one would help to lay the groundwork for the next one, and you should probably watch it all. By the way, YouTube forced us to accept ads at the beginning of this video because we included copyrighted music. We agreed so the video wouldn't get pulled.

War on the Saints Part 1 - Scheme of Balaam

War on the Saints, Part II - Enemy Scheme Unsealed

YouTube title: *United Nations, LGBT Rights, and a New World*

This video was just posted and has already been described as "jaw-dropping!" It lays out the evidence needed to understand what these recent big developments in the news are all about, both factually, and according to Bible prophecy. Really, it includes an announcement you won't want to miss. Please take the time to watch the whole thing as soon as you can. You won't be sorry you invested your time watching it. By the way, we are making a DVD with higher production values of this video, which we will be offering soon.

See more about this DVD set at the bottom of this page.

Conclusion

Of course, we would like you to take in all of this information, but not counting the 7 DVD Set, that's 4+ hours, and we know time is an issue for most people these days. If you can only do one thing right now make it *United Nations, LGBT Rights, and a New World* since that is the most immediately vital - then get to the rest of this information when you can after that. Try to keep up the best you can though, because these are troubled times, and we will be giving you a lot more information as you need it, to help you make your way through the darkness.

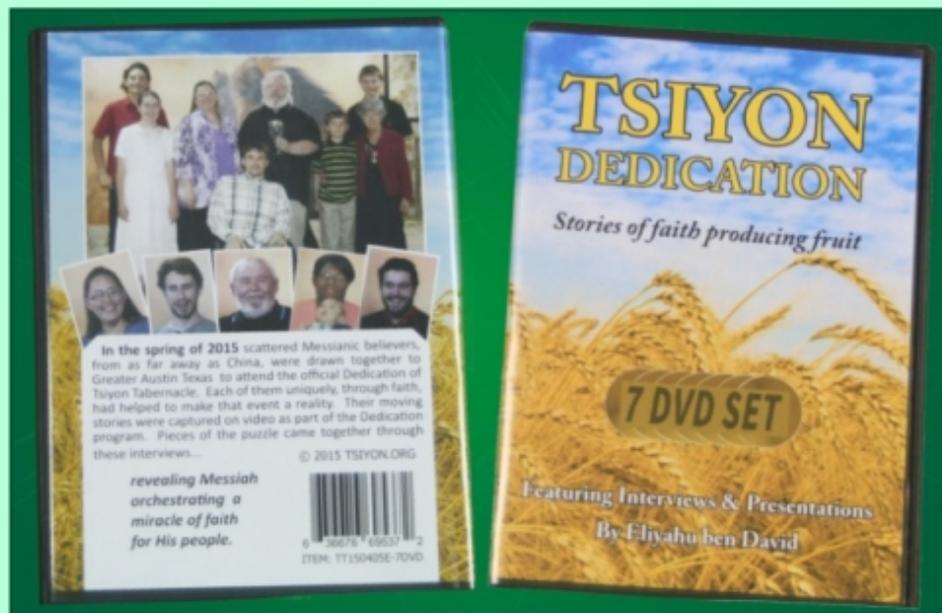

All of us here at Tsiyon HQ love you all, Be assured you are in our prayers.

Blessings and Shalom,

Eliyahu ben David
