NO RAPTURE...

TSIYON.ORG

...NO ESCAPE?

WHAT IF the Pre-Trib Rapture Teaching is A MISTAKE?

Millions count on the Pre-Trib Rapture Doctrine to escape the Mark of the Beast.

What if the underlying assumptions of the doctrine are wrong and it is a mistake? One of the underlying assumptions is that the "Church" has replaced Israel during this "dispensation" - this Sabbath we are presenting little known historical facts that prove that Israel was not replaced - now or ever. Tsiyon Partners can attend our live streamed Sabbath Meeting, or view the video recording, on this topic. "Arise, shine; for your light has come, and the glory of YHWH is risen on you. For, behold, darkness shall cover the earth, and gross darkness the peoples; but YHWH will arise on you, and his glory shall be seen on you." Isaiah 60:1, 2

Midrash Theme is: [Raising Cain](#)

We're following up on the biblical story of Cain. Cain built a city and called the name of the city after the name of his son Enoch. The Scriptures tell us in an amazing way how Cain started false religion in that city - a religion that still brings ruin and misery into millions of lives today.

"Miriam arose in those days and went into the hill country with haste, into a city of Yehudah (Judah), and entered into the house of Zekharyah and greeted Elisheva." As this story continues we learn some amazing things about these relatives of our Messiah.

From Eliyahu

Greetings in Messiah,

Luke 21:25 speaks of these last days, in predicting "anxiety of nations, in perplexity."

I don't think a better description would be possible to describe the mood of the nations or their people right now. In this case, the 'anxiety' and 'perplexity' arise from the dangers of ISIS infiltrating the nations of the West, gaining entry with the waves of Islamic refugees flooding into Europe, and soon, America. This past week the ISIS terror attacks in Paris shook the world with these concerns.

While many citizens are near panic, feeling insecure and unprotected by their respective governments, some governmental leaders continue to push through more immigration, with little or no viable screening. Indeed, one of the most basic responsibilities of any federal government is to protect citizens from foreigners who would do the citizens harm. Yet, it seems like the freedoms of citizens are reduced more and more while a real threat, such as ISIS, is hardly considered when allowing millions of unknown immigrants into normally stable countries. All of this certainly seems crazy to the man on the street, causing both 'anxiety' and 'perplexity' to millions.

It is as if there is some larger hand deliberately orchestrating unrest and social upheaval in the developed countries - but that would be crazy - right? Or could it be part of UN Agenda 2030 with the goal of softening up the population to make way for world government? At what point will people be so weary of turmoil and trouble that they will capitulate? I would say, just about 2030. Until then we can expect nothing but more and worse of the same.

After that, instead of the "peace and safety" that is promised, the world will sink into the most critical time period of all history - the Great Tribulation. The Man of Sin and the Mark of the Beast will soon follow. No one will be able to buy or sell without the Mark. Yet, taking the Mark is to share the eternal fate of the Beast. None of those dwelling on the earth will be able to escape this.

The only way of dealing with this is to take the Mark, accept martyrdom, or somehow escape before it happens!

Millions of Christians think they will escape in a pre-trib rapture of "the Church." Many of them are so sure about this that they are unconcerned about the Tribulation or the Mark. Maybe some of those people are your friends and relatives. If so, you likely want to help them to see that a pre-trib rapture is a false hope.

Join me this Sabbath at our live online Sabbath meeting, or view the video recording, for information they have never considered that could change their mind and wake them up to reality. This includes information you need as well. To see this, and all of these live presentations, sign up as a Tsiyon Partner, at any level of support in the Tsiyon Tabernacle at [Tsiyon.net](#).

There is a way of escape - but a pre-trib rapture isn't it.

Joint me for this. See you there!

Shalom,

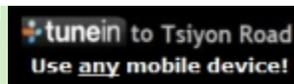

Eliyahu ben David
