TRACKING THE BLACK HORSE JUDGMENT

TSIYON.ORG

The foremost economists of the Queen of England, nor even the financial experts of the Federal Reserve, foresaw the Global Economic Crisis that crashed in upon the world in 2008 and has dogged the world ever since. Tsiyon saw it though, and warned you of it in advance. Here we update you on the ride of the Black Horse that began in that year as it continues onward. Tsiyon Partners can view this live video presentation tonight at 8 CST here: Tsiyon.net.

“Arise, shine; for your light has come, and the glory of YHWH is risen on you. For, behold, darkness shall cover the earth, and gross darkness the peoples; but YHWH will arise on you, and his glory shall be seen on you.” Isaiah 60:1, 2

From Eliyahu

Greetings in Messiah,

I'm excited about this and want to get right into it! The following was written by my good friend and Tsiyon Partner, Gary Null, whom you see in the picture. He was assisted in this project by his lovely wife, Janet. It is not unusual for Gary and Janet to share the things they know about Messiah in any way they can, including sending emails like this one out to their friends and acquaintances. I read this and immediately wanted to share it with all of you, as a great witnessing example for all of us.

The Latter Days?????

By Gary Null

We hear a lot of talk about the Latter Days. What is this about?? Is it the 2nd Exodus?? Is it the tribulation?? Will the church be raptured out?? What is it? I thought we would attach some scripture to it and then let you make up your mind what the latter days mean.

Deuteronomy 4:30 *"In your distress, when all these words shall come upon you in the latter days, then you shall return to יהוה your Elohim and shall obey His voice.*

Are you really ready and do you know what is ahead? How many times have you heard someone say something like: "I am ready for the return, things are such a mess. I just wish it was sooner not later." So when you say this or hear someone say this, what are you really thinking? Do you understand that it is not just about the magic words asking Jesus into your heart?

Matthew 13:3 *And He spoke to them much in parables, saying, "See, the sower went out to sow. 4 "And as he sowed, some indeed fell by the wayside, and the birds came and devoured them. 5 "And others fell on rocky places, where they did not have much soil, and immediately they sprang up, because they had no depth of soil. 6 "But when the sun was up they were scorched, and because they had no root they withered. 7 "And others fell among thorns, and the thorns came up and choked them. 8 And others fell on good soil and yielded a crop, some a hundredfold, some sixty, some thirty.*

Matthew 13:23 *"And that sown on the good soil is he who hears the word and understands it, who indeed bears fruit and yields – some a hundredfold, some sixty, some thirty."*

Revelation 22:14 *"Blessed are those doing His commands, so that the authority shall be theirs unto the tree of life, and to enter through the gates into the city."*

Jeremiah 16:14 *"Therefore see, the days are coming," declares יהוה, "when it is no longer said, 'יהוה lives who brought up the children of Yisra'el from the land of Mitsrayim,' **The first exodus!***

Jeremiah 16:15 *but, 'יהוה lives who brought up the children of Yisra'el from the land of the north and from all the lands where He had driven them.' For I shall bring **them** back into their land I gave to their fathers." **The second exodus.***

Them = this will be the believers who are following HIS commands.

Revelation 14:12 *Here is the endurance of the set-apart ones, here are those guarding the commands of Elohim and the belief of יהושע in **Revelation 12: 17** the set apart ones are called "the remnant." This could be you, IF you want to truly be part of the remnant.*

Jeremiah 16:16 *"See, I am sending for many fishermen," declares יהוה, "and they shall fish them. And after that I shall send for many hunters, and they shall hunt them from every mountain and every hill, and out of the holes of the rocks.*

Jeremiah 16:17 *"For My eyes are on all their ways; they have not been hidden from My face, nor has their crookedness been hidden from My eyes.*

Jeremiah 16:18 *"And first I shall repay double for their crookedness and their sin, because they have defiled My land with the dead bodies of their disgusting matters, and have filled My inheritance with their abominations."*

Jeremiah 16:19 *ו יהוה, my strength and my stronghold and my refuge, in the day of distress the gentiles shall come to You from the ends of the earth and say, "Our fathers have inherited only falsehood, futility, and there is no value in them.*

HE is talking about the teaching of the church and any other teaching which is not Scriptural. People listen. The church wasn't even invented until 135 A.D. Go back to the 1st century assembly that Y'SHUA organized. When HE ascended HE left His brother Jacob (James) over the Nazarean Assembly and then when James was killed, Simeon (the cousin of Y'SHUA and His brother Jacob and Judah (Jude) led the Nazareans. They are called "the desposyni" ...relatives of Y'SHUA who were of the Davidic lineage and rightful leaders of the Assembly of the Messiah. Joseph, Y'SHUA's father was the Tzaddik (Davidic leader) of them and Mary (Miriam) knew full well that this was the Messiah child and that is also why Joseph understood the "angel" who spoke with him.

Do you think that YHWH would just send Y'SHUA to earth, and have him pick a random group of people who were ignorant of the prophecies about HIM and HIS role to not only die for the judgment against mankind but HE was also to gather the 12 tribes in exile and bring them back together in a kingdom.. ruled by the Davidic family (this is an eternal covenant with David) and Y'SHUA Himself said in **Matthew 15: 24** *And He answering, said, "I was not sent except to the lost sheep of the house of Yisra'el."*

The 10 tribes of the Northern Kingdom of Israel were scattered among the earth and they don't know who they are but HE knows each of them. HE gathers and redeems them because of the covenant HE made with their forefathers. You, if you a truly a believer and redeemed by the Lamb, are most likely of one of these 10 lost tribes but the tribes of Judah and Benjamin are in exile among the nations as well.

The exile will soon be over....the tribulation (birth pangs) of the delivery of these remnants from these tribes will birth the final Messianic kingdom...and their return to Tsiyon (Jerusalem)...as a people in their Land....this is what YHWH meant when HE said the end is revealed in the beginning.....isn't this the same picture as the garden? Isn't this the call of Abraham? Isn't this the call of the people of the 1st Exodus who had the covenant...but now the Renewed Covenant...the same exact covenant as the 1st Exodus NOW WRITTEN ON THE HEART.....

There will be no rapture and if you are not preparing yourself for anything other than a “rapture”you will not have time later, you must prepare yourself NOW. This is the issue with the 5 foolish virgins. They hadn't filled their lamps and the 5 wise virgins told them to go buy from those whom they have been buying from. Well since the gospel is for sale...and there are those who have been buying and swallowing it from false teachers who have not been preparing them and who don't know the times and seasons themselves...those people will have to buy from those they are following UNLESS they ready themselves now...so their lamps are full! Well then...you better find the oil! Before it is too late.

Isaiah 2:3 *And many peoples shall come and say, “Come, and let us go up to the mountain of יהוה, to the House of the Elohim of Ya’aqob, and let Him teach us His ways and let us walk in His paths, for out of Tsiyon comes forth the Torah, and the Word¹ of יהוה from Yerushalayim.”*

I was watching an old John Wayne movie the other day. When he wanted to get everyones attention he would have his ranch foreman, stand up on something high, like a buckboard and hollar out “People, People, People” and then he would fire off his six shooter a couple of times, by this time he would have everyone's attention. This is the way I feel about what is taking place right now in the Kingdom of GOD. If you want to know more we have DVDs on the Book of Daniel, the UN Agenda 2030 that is and will be continuing to be implemented in the U.S. and the countries of the world (this is not conspiracy theory) and on the 2nd Exodus, give me a call, text or email. SHALOM

----- End of Gary Null Letter -----

Now, on to the focus for this week's Sabbath message. The world's wealthy elite have just concluded their annual meeting of the World Economic Forum in Davos Switzerland. An article about that is included below in which some assessment is made of the state of the global economy. I have thoughts about that, from a Biblical perspective.

As you may know, in the summer of 2008 I broadcast a warning about a coming Global Economic Crisis, that actually did commence a few months later, in the fall of 2008. The warning was in three radio programs on the Black Horse Rider of Revelation, which I warned had been released to soon bring global economic crisis upon the world. Now, I have gone through those messages again and have listed 20 specific points that I foresaw and spoke about in those programs, in advance of the crisis. In this Sabbath message we will track the ride of the Black Horse Rider since then, comparing what has actually happened in the last seven years with the 20 points I had broadcast in the 2008 messages. We will see that those things did happen, as the Black Horse has advanced in his grisly ride, leading the world's elite to well-deserved judgment.

This live presentation is free for our Tsiyon Partners.

Blessing and Shalom,

Eliyahu ben David

A world divided: Elites descend on Swiss Alps amid rising inequality

Reprising from:  DAVOS, Switzerland | By Ben Hirschler and Noah Barkin Tue Jan 19, 2016 5:24am EST

DAVOS, Switzerland Politicians and business leaders gathering in the Swiss Alps this week face an increasingly divided world, with the poor falling further behind the super-rich and political fissures in the United States, Europe and the Middle East running deeper than at any time in decades.

Just 62 people, 53 of them men, own as much wealth as the poorest half of the entire world population and the richest 1 percent own more than the other 99 percent put together, anti-poverty charity Oxfam said on Monday.

Significantly, the wealth gap is widening faster than anyone anticipated, with the 1 percent overtaking the rest one year earlier than Oxfam had predicted only a year ago.

Rising inequality and a widening trust gap between people and their political leaders are big challenges for the global elite as they converge on Davos for the annual World Economic Forum, which runs from Jan. 20 to 23.

But the divisions go far beyond those that exist between the haves and have-nots. In the Middle East, the divide between Shi'ites and Sunnis has reached crisis point, with Iran and Saudi Arabia jostling openly for influence in a region reeling from war and the barbarism of Islamic extremists.

The conflicts there have spilled over into Europe, causing deep ideological rifts over how to handle the worst refugee crisis since World War Two and - with Britain threatening to leave the European Union - raising doubts about the future of Europe's six-decade push towards ever closer integration.

The shock emergence of Donald Trump as the front-runner for the Republican presidential nomination has exposed a gaping political divide in the United States, stirring anxiety among Washington's allies at a time of global turmoil.

Among the key figures in Davos, will be U.S. Vice President Joe Biden, Secretary of State John Kerry, Israeli Prime Minister Benjamin Netanyahu and the foreign ministers of both Iran and Saudi Arabia.

Canada's new Prime Minister Justin Trudeau will be on hand, as will Britain's David Cameron and Mario Draghi at a time when a new transatlantic monetary

policy divide is opening up between his loosening European Central Bank and a tightening U.S. Federal Reserve.

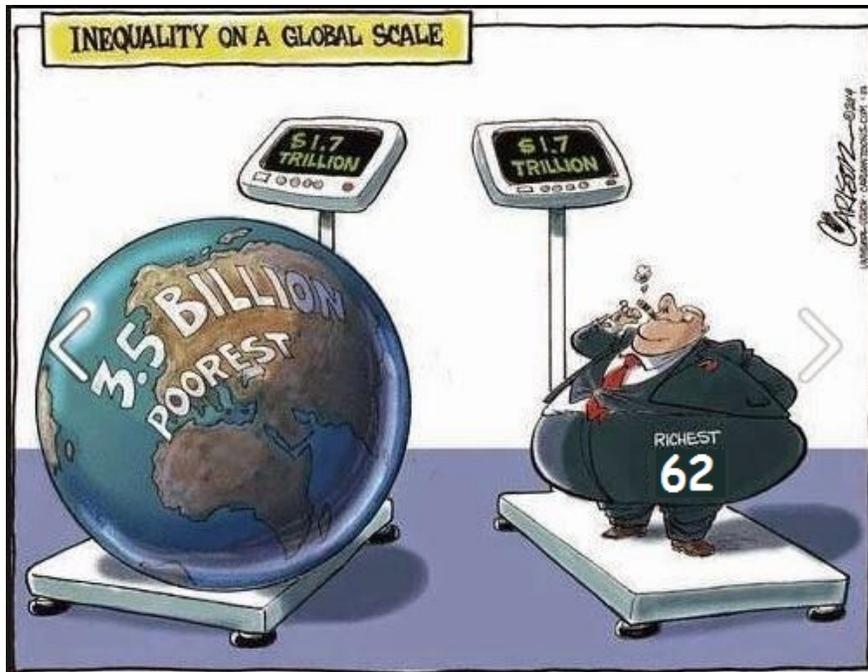

Celebrities will also be out in force, including film stars Leonardo Di Caprio and Kevin Spacey.

FUELLING POPULISTS

Edelman's annual "Trust Barometer" survey shows a record gap this year in trust between the informed publics and mass populations in many countries, driven by income inequality and divergent expectations of the future. The gap is the largest in the United States, followed by the UK, France and India.

"The consequence of this is populism - exemplified by Trump and Le Pen," Richard Edelman, president and CEO of Edelman, told Reuters, referring to French far-right leader Marine Le Pen, whose National Front has surged ahead of traditional parties in opinion polls.

The next wave of technological innovation, dubbed the fourth industrial revolution and a focus of the Davos meeting, threatens further social upheaval as many traditional jobs are lost to robots.

The Oxfam report suggests that global inequality has reached levels not seen in over a century.

Last year, the organisation has calculated, 62 individuals had the same wealth as 3.5 billion people, or the bottom half of humanity. The wealth of those 62 people has risen 44 percent, or more than half a trillion dollars, over the past five years, while the wealth of the bottom half has fallen by over a trillion. [Tsiyon Note: in our Daniel Seminar of September 2015 we reported that 80 people have the same wealth as the bottom 3.5 billion. This was the latest available number at that time. Now the number has already reduced to 62 individual people having the same wealth as 3.5 billion people, showing how quickly the wealth is being sucked up toward the top, toward an ever-narrowing super-wealthy elite, as we reported in the Daniel Seminar.]

"Far from trickling down, income and wealth are instead being sucked upwards at an alarming rate," the report says.

It points to a "global spider's web" of tax havens that ensures wealth stays out of reach of ordinary citizens and governments, citing a recent estimate that \$7.6 trillion of individual wealth - more than the combined economies of Germany and the UK - is currently held offshore.

"It's a major wake-up call," said Jyrki Raina, general secretary of IndustriALL Global Union, which represents 50 million workers in 140 countries in the mining, energy and manufacturing sectors. "Inequality is one of the biggest threats to economic well-being and it needs to be addressed."

U.S. President Barack Obama touched on the issue in his recent State of the Union address, noting that technological change was reshaping the planet.

"It's change that can broaden opportunity, or widen inequality. And whether we like it or not, the pace of this change will only accelerate," he said.

"Companies in a global economy can locate anywhere, and face tougher competition...As a result, workers have less leverage for a raise. Companies have less loyalty to their communities. And **more and more wealth and income is concentrated at the very top.**"
