*"Arise, shine; for your light has come, and the glory of YHWH is risen on you. For, behold, darkness shall cover the earth, and gross darkness the peoples; but YHWH will arise on you, and his glory shall be seen on you."* Isaiah 60:1, 2

## From Eliyahu

Greetings Friends,

This is a *Tsiyon News Special Edition*. Its purpose is to keep you ahead of the curve on two important things:

1. The new moon was sighted by multiple witnesses in Israel on Sabbath, May 7th, with Day 1 of the new month starting the evening of May 7. This made for a month of 28 days - a day shorter than most lunar months. Most lunar months are either 29 or 30 days long, however, a 28 day month does happen rarely. This is exactly why a calculated calendar doesn't work to establish the Biblical dates, since the moon provides a sign that must be observed to know with certainty what day it is in Holy Time. To see the calendar for Month Two you can go here: <http://tsiyon.org/message/more/calendar/>

2. "May 7-8 have seen a major escalation of the ISIS threats against Israel. In a coordinated maneuver by all of the ISIS commands in the Middle East, the terrorist organization simultaneously released at least 10 videos that it said showed ISIS forces on their way to attack targets in Israel" debkafile reported today. See below for a reprint of the entire article.

Clearly, this threat toward Israel by ISIS cannot be taken lightly. I call upon you to join with me in prayer for the State of Israel:

Father, hostile enemies are making major threats against the State of Israel of a kind we have not seen before. Your great Name is associated with Israel because of Your covenant with Jacob our father. Not because of any merit of our own, but because of Your own great Name, we ask You to stand up on behalf of Jacob's seed in the Land. We pray that you will give wisdom to the Israeli leadership to effectively move ahead of the curve as the threatened attacks unfold. We pray, Father, that you will act in a mighty way to deliver Israel from attack, in a way that accomplishes Your will for Your people and lifts up Your Name in all the earth. May all of Your enemies be forced to know that You alone are the one and only True God!

Your loving kindness for Israel endures forever!

Through our Messiah, Y'shua, we pray. Amen.

Shalom, Eliyahu

## ISIS to Israel: "We're coming very soon"

Reprint: DEBKAFfile Exclusive Report May 8, 2016

The last 48 hours (May 7-8) have seen a major escalation of the ISIS threats against Israel, debkafile's intelligence and counterterrorism sources report. In a coordinated maneuver by all of the ISIS commands in the Middle East, the terrorist organization simultaneously released at least 10 videos that it said showed ISIS forces on their way to attack targets in Israel.

All of the videos refer to the Palestinian issue, Jerusalem and the timing of the attacks. In each one, the narrator claims the terror organization did not forget the Palestinians, and will not neglect them any more; describes Jerusalem as "a bridge to Islam"; and threatens an impending attack, saying "We're coming, and coming very soon" accompanied by images of fighters from the ISIS affiliate in the Sinai are shown.

It was not the first time for the ISIS propaganda machine to threaten hostilities against Israel, but it was the first time for the threat to be issued simultaneously from every province or city where ISIS is located in the Middle East. The videos included ones from Raqqa, the ISIS capital in Syria; Mosul, the terrorist organization's capital in Iraq; the Sinai Peninsula and Egypt; Derna in eastern Libya; and central Libya, where according to debkafile's counterterrorism sources ISIS controls a huge 300-kilometer area including the Mediterranean coast on the Gulf of Sidra.

Our sources report that every video contains the following sentences: "We know that the Egyptian army is being helped by Israeli intelligence and the Israeli Air Force in its war against us"; "We also know that Israel set up intelligence networks within the population of the Bedouin tribes in the Sinai"; and "From now on we will take action against Egyptian and Israeli targets as one."

debkafile's intelligence sources report that these comments are intended to counter efforts by the Egyptian military to establish anti-ISIS militias among the Bedouin tribes. This came after American counterterrorism experts advised the Egyptian military to operate the same way that the US operates among the Sunni tribes in western Iraq's Anbar province, where US military instructors are setting up local militias to prevent ISIS fighters from entering or passing through areas under the tribes' control.

Our sources report that three Bedouin anti-ISIS militias have been established in the Sinai so far: the "Sons of Sinai", "Unit 103"; and the "Death Squad".

Meanwhile, the ISIS affiliate in the Sinai carried out one of its boldest terrorist attacks on Sunday, May 8, killing eight Egyptian policemen including an officer, in the Cairo suburb of Helwan. Four masked terrorists with automatic weapons jumped out of a commercial vehicle that had blocked a minibus transporting the policemen, fired hundreds of bullets at the minibus, killing everyone inside, and then fled the scene. Western counterterrorism experts monitoring ISIS-Sinai estimate that it not only has the ability to carry out terrorist attacks in major Egyptian cities, but also against Israel.
