## From Eliyahu

Hello Friends,

If you are awake to the enormity of all that is going on in these last days, it can feel rather over-whelming sometimes. Just the rapidity with which the cascade of apocalyptic events is unfolding can be daunting - and the sense that all of this is on an upward acceleration curve so out of control that it seems to be launching the whole human race into a frenzied madness.

The craziness out there is not a TV show that you can turn off when you have had enough. Yes, you can turn off the news - but you can't turn off the effects of Last Days events on the lives of those around you, or in your own personal life. Government corruption, terrorism, war, crime, economic stresses, disasters, health problems and massive social changes

are all combining in a way that seems to be putting increasing pressure on the personal lives of people everywhere. That pressure translates into people who are becoming ever more difficult to get along with. The "people factor" all by itself can be frustrating and troublesome to no end. Of course, this "people factor" is one of the hallmarks of the Last Days, as foretold in Scripture:

But know this, that in the last days, grievous times will come. For men will be lovers of self, lovers of money, boastful, arrogant, blasphemers, disobedient to parents, unthankful, unholy, without natural affection, unforgiving, slanderers, without self-control, fierce, no lovers of good, traitors, headstrong, conceited, lovers of pleasure rather than lovers of God; holding a form of godliness, but having denied its power. Turn away from these. 2 Timothy 3:1-5

The point I am getting at here is a simple one: All of this Last Days stress wears people out. Sometimes, it even wears out the saints.

The truth is though, we can't afford to zone out in the Last Days. This is the most dangerous time in all of history. Massive lethal events are happening and will increase in frequency and lethality, racking up a huge death toll as these Last Days continue toward the end. If ever there was a time when every individual believer needs to be on top of his/her game, this is it!

So, how do you do that? Do you have to be Superman/Superwoman to make it through to the end? Is this impossible for the ordinary believer?

NO! You can do this!

More correctly, He can do this, and you can cooperate with His deliverance in your case. In fact, delivering you from this present evil age is one of the main reasons why He came.

Grace to you and peace from Elohim the Father, and our Lord Yeshua the Messiah, who gave Himself for our sins, **that He might deliver us out of this present evil age**, according to the will of our Elohim and Father — to whom be the glory forever and ever. Amen. Galatians 1:3

Brothers and sisters, you CAN survive the Last Days!

I personally want that to happen for you. I've been thinking about you and praying about your deliverance through these stressful times.

There are some things that have kept me on the path for fifty years that are still working for me in these Last Days.

Tonight I am going to share some of these things with you that I know will be invaluable to help you make it through all the way to the End.

Tsiyon Partners, Join me for this live presentation tonight at 8 PM CST at [Tsiyon.Net](http://Tsiyon.Net). Don't miss this!

Shalom, Eliyahu

## Top Swedish Priest: Islamists Have Declared War on Christianity

“It’s time to wake up”

Reprint: Paul Joseph Watson, Prison Planet, August 1, 2016

 **A priest who represents the largest religious community in Sweden has warned that Europe needs to “wake up” to the fact that Islamists have declared war on Christianity.**

Annika Borg, who is a priest in the Swedish Church, an Evangelical Lutheran national church that boasts 6.2 million members, wrote an op-ed for Sydsvenskan in which she decried Sweden’s reaction to last week’s murder of a Catholic priest in France by Islamists, asking why churches were silent on the issue.

Asserting that “the genocide of Christians and other religious and ethnic minorities in the Middle East” has been largely ignored for years, Borg states that Father Jacques Hamel was slaughtered like an animal.

His murder “removes any doubt about the bloody declaration of war directed against Christianity on European soil,” by Islamists, she writes, pleading “What is it you do not understand? What is it you do not see and do not hear?”

Borg also makes reference to Sweden’s incredibly stifling political environment under which prominent politicians have been charged with hate crimes merely for drawing attention to the negative aspects of Islam.

She writes that anyone who warned about the threat of Islamists targeting churches in Europe before it happened would have been labeled a xenophobe or Islamophobic.

Borg also complains that it has been “difficult to obtain information” about the persecution of Jews in Sweden, suggesting that authorities are covering up the true scale of the danger they are in.

“It is time to wake up,” she concludes.

Borg is a prominent voice in Sweden, frequently appearing on television and in the media.

Her sentiments will almost certainly not be supported by Bishop Eva Brunne, the first openly lesbian bishop of a mainstream church in the world, who said last October that crosses should be removed from churches in Stockholm and replaced with Islamic symbols in order to make Muslim migrants feel more welcome.

The issue was laced with irony given that as a lesbian, Brunne would face imprisonment and execution in many Islamic countries. Robert Spencer said that her comments were an illustration of “what a society and culture in the midst of suicide looks like”.

**A Civil War With The Globalists Is Now Underway!**

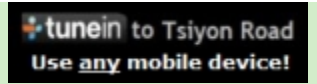

Have you ever wondered how popular movies seem to anticipate real life events?

How could Marvels "*Captain America Civil War*" anticipate the issue behind the chaos in the streets of America and around the world this summer?

The burning issue in the movie and in our streets right now is: UNITED NATIONS CONTROL?

The Tsiyon Team have produced a powerful video that explores the truth behind all this. See the video here: <https://www.youtube.com/watch?v=ZrJcACbSbfw>
