## From Eliyahu

Hello friends,

Can you see? I mean, really see? Tonight, at our Tsiyon Meeting, we will be having a special presentation for our Tsiyon Partners. It is entitled "Walk by Faith NOT by sight!"

Among others, it will focus on the example of Noah, as in the illustration to the left. What happened with Noah was extraordinary. He was right, while the whole world was wrong! How could he acquire and maintain such confidence in a situation like that?

That confidence in the Truth, that faith, impelled him to commit to and stick to a one hundred year project of building the Ark. Following through on his faith saved his life, and his family - and preserved the seed of life so that there could be a new start in the world after the Flood was over. We wouldn't be here now if it were not for Noah and his family!

Noah saw and believed something the whole world could not see - while the deceived worldlings paid the price for their spiritual blindness. Yes, there is a different kind of seeing than the world uses to navigate their way. Noah was seeing the invisible with eyes of faith. That's exactly what we need to do too, to survive through these deceptive and dangerous Last Days. This is why Tsiyon has produced this presentation for you, and why I hope you will make every effort to take in this special meeting. This presentation is tonight, at [Tsiyon.Net](http://Tsiyon.Net), at 8 PM CST. Don't miss this special presentation.

Shalom,

Eliyahu ben David

### TSIYON ACADEMY FEEDBACK

#### Messiah Showed Men How to be Men!

Our last Tsiyon Academy was focused on Matthew 8, which presents Messiah doing amazing deeds, showing men how to be men. The Biblical picture on this is very different than the feminist perspective, so dominant in today's world. The feedback from some of our female Tsiyon Partners was amazing! See for yourself, below:

#### Feminism declared war on men. - Janet

This was an awesome understanding of Matthew 8: 26-27.....

Feminism declared war on men many years ago and have pretty much ruined everything they have touched.

Most women over the years are so weary of being pushed up to the front by their men who may be even unaware of doing this. Granted their are women who take the leadership away but, in most cases, among true believers, that is not the case.. Many women I know have husbands who are leaders at work and make a good living for their families but yet they don't step up spiritually but the woman, down deep inside, doesn't want the burden of making the decisions - spiritual or otherwise- and would LOVE her man to stand up and take headship.

I am excited for the men to show forth their dominion and glory given to them by YHWH as YESHUA encouraged here in Matthew 8 and demonstrated for them over HIS time here!

#### Women's march in Washington D.C. - Spiritsong

Amen Janet! This was such a confirmation for me. I have been so grieved and burdened by what I have been seeing and hearing going on in this country and abroad. Especially after the women's march in Washington D.C. that numbered over a million in attendance. The demasculation and hatred towards men that was spewing out of these women was staggering!

When men abdicate their spiritual role, their call and their responsibility, than the women rise up and take over becoming like Jezebel. We know from reading in Yah's Word what "one" Jezebel did, but what about on the grandest scale that is beyond wrapping our minds around being displayed today??

...11Woe to the wicked! It will go badly with him, For what he deserves will be done to him. 12O My people! Their oppressors are children, And women rule over them. O My people! Those who guide you lead you astray And confuse the direction of your paths. 13The LORD arises to contend, And stands to judge the people.... Isaiah 3:11-13

Yahweh has put it on my heart to be praying daily for HIS men to rise up in bold confidence to follow Yeshua's example laid out in the gospels to lead the way for HIS women and children to follow.

### Women should pray often for His men. - Cheryl

As a woman who was raised in a single parent home by my Dad, I have respected men and I see the importance of men.

YHWH as the head of each man taking their role as head of the family seriously; in addition, I also see the role of a woman who wants a husband who stands up to take headship under YHWH!

Yes, women should pray often for His men. I have desired this for years but had not come into the real understanding of a clearer picture of my role until just recently. Women do need to stand in Truth, Love and prayer.

I could see as my husband and I enjoyed the Shabbat message and how Yeshua took the authority given to him by His Father. I believe my husband is beginning to understand more of his role.

I see how important it is as it states in 1Timothy 2 where a woman is not to take dominion over her husband. Sadly in this country as my husband and I discussed... He said he read in a book... many men in this country are on milk carton (missing) from leading their families... much has infiltrated the home through television and the media to destroy families. Media and culture are forming young men and women instead of their parents and grandparents.

Very thankful Tsiyon Academy has been raising up godly men and women to follow Yeshua's example and His Perfect Way!

So thankful and grateful there is a faithful remnant that I hope to be grafted into.

I'm sure comments like these are encouraging to other remnant men, as they are to me, just knowing that Yah's women are praying for us, and cheering us on. Brothers, let's press on to the fullness of righteous leadership that we are called to represent in Messiah's Kingdom!
